

BUREAU OF THE FISCAL SERVICE
FREEDOM OF INFORMATION ACT REQUEST
FOR SSN DEBT INFORMATION
FORM INSTRUCTIONS

Last revised: 8/11/22

1. PURPOSE:

We as Christians have moral and legal duty to God under God's Laws to ensure that we do not either knowingly or unknowingly become surety for the debts of anyone, including ourself:

"My son, if you become surety for your friend, if you have shaken hands in pledge for a stranger, you are snared by the words of your mouth; you are taken by the words of your mouth. So do this, my son, and deliver yourself; for you have come into the hand of your friend [slavery!]: Go and humble yourself; plead with your friend. Give no sleep to your eyes, nor slumber to your eyelids. Deliver yourself like a gazelle from the hand of the hunter; and like a bird from the hand of the fowler."
[Prov. 6:1-5, Bible, NKJV]

"A man devoid of understanding shakes hands in a pledge, and becomes surety for his friend."
[Proverbs 17:18, Bible, NKJV]

"He who is surety for a stranger will suffer, but one who hates being surety is secure."
[Prov. 11:15, Bible, NKJV]

*"Very soon, every American will be required to register their biological property (that's you and your children) in a national system designed to keep track of the people and that will operate under the ancient system of pledging. By such methodology, we can compel people to submit to our agenda, which will affect our security as a charge back for our fiat paper currency. Every American will be forced to register or suffer being able to work and earn a living. They will be our chattels (property) and we will hold the security interest over them forever, by operation of the lawmerchant under the scheme of secured transactions. Americans, by unknowingly or unwittingly delivering the bills of lading (Birth Certificate) to us will be rendered bankrupt and insolvent, secured by their pledges. They will be stripped of their rights and given a commercial value designed to make us a profit and they will be none the wiser, for not one man in a million could ever figure our plans and, if by accident one or two should figure it out, we have in our arsenal plausible deniability. After all, this is the only logical way to fund government, by floating liens and debts to the registrants in the form of benefits and privileges. This will inevitably reap us huge profits beyond our wildest expectations and leave every American a contributor to this fraud, which we will call "Social Insurance." Without realizing it, every American will unknowingly be our servant, however begrudgingly. The people will become helpless and without any hope for their redemption and we will employ the high office (presidency) of our dummy corporation(USA) to foment this plot against America."
[Colonel Edward Mandell House, stated in a private meeting with Woodrow Wilson(President 1913 - 1921)]*

In fulfillment of the above responsibility, we must ensure that our public servants do not unknowingly make us into surety for public debt. This document provides a remedy for fulfilling this responsibility that we have to God.

We have always suspected that the Social Security Number or some derivative has been used by the federal government as the means to make people in states of the Union into "taxpayers" and surety for public debt. Unfortunately, proving that hypothesis has been difficult until this document became available. The document below is helpful to that end, but is incomplete without evidence right from the horses mouth that this is in fact the case.:

<p><i>Resignation of Compelled Social Security Trustee</i>, Form #06.002 http://sedm.org/Forms/FormIndex.htm</p>
--

We have looked at several Social Security Cards and found that there are TWO and not ONE unique number on each card. The front of the card has a nine digit numeric Social Security Number (SSN), while the back of the card has a nine digit alphanumeric code we will call the Card Serial Number for reference herein. The Card Serial Number begins with a letter and then 8 numeric digits. For examples of the placement of these numbers, see Exhibit 1 attached to this document. Either one of these two number could theoretically represent a bond number for guaranteeing public debts. This FOIA requests information about public debt associated with EITHER number.

Based on the above document, some of our readers decided to inquire about the amount of public debt issued not under the authority of the United States as a whole, but under the Social Security Number assigned to their strawman (the federal “employee” who is engaged in a “trade or business”). 20 C.F.R. §422.104 says the number can only be issued to statutory U.S. citizens pursuant to [8 U.S.C. §1401](#) or resident aliens pursuant to [26 U.S.C. §7701\(b\)\(1\)\(A\)](#).

Title 20: Employees' Benefits

PART 422—ORGANIZATION AND PROCEDURES

Subpart B—General Procedures

§ 422.104 Who can be assigned a social security number.

(a) Persons eligible for SSN assignment. We can assign you a social security number if you meet the evidence requirements in §422.107 and you are:

(1) A [statutory] United States citizen [pursuant to 8 U.S.C. §1401]; or

(2) An alien lawfully admitted to the United States for permanent residence or under other authority of law permitting you to work in the United States (§422.105 describes how we determine if a nonimmigrant alien is permitted to work in the United States); or

(3) An alien who cannot provide evidence of alien status showing lawful admission to the U.S., or an alien with evidence of lawful admission but without authority to work in the U.S., if the evidence described in §422.107(e) does not exist, but only for a valid nonwork reason. We consider you to have a valid nonwork reason if:

(i) You need a social security number to satisfy a Federal statute or regulation that requires you to have a social security number in order to receive a Federally-funded benefit to which you have otherwise established entitlement and you reside either in or outside the U.S.; or

(ii) You need a social security number to satisfy a State or local law that requires you to have a social security number in order to receive public assistance benefits to which you have otherwise established entitlement, and you are legally in the United States.

*(b) Annotation for a nonwork purpose. If we assign you a social security number as an alien for a nonwork purpose, we will indicate in our records that you are not authorized to work. We will also mark your social security card with a legend such as “NOT VALID FOR EMPLOYMENT.” If earnings are reported to us on your number, we will inform the Department of Homeland Security of the reported earnings.
[68 FR 55308, Sept. 25, 2003]*

Since this regulation is in Title 20 CFR, and this title relates ONLY to government organization and Employee’s Benefits, then the card and number can ONLY be issued to federal “employees” and NOT “private employees” within private companies. Some people have reportedly sent in FOIAs similar to this one to the Bureau of Public Debt to request a list of borrowing done under the SSN and the Bond Number appearing on this card and have been surprised by what they got back. Some are reported to have received in response to their FOIA request a 30 page report listing all of the \$1, \$5, \$10, \$20, and \$100 bills issued against the Social Security Number assigned to the strawman, along with a list of the Treasury Securities that were issued against the number as well. They were also told that if they wanted the complete report, it would cost them \$2,300! A certified response to such a FOIA would be very useful in establishing court admissible evidence that irrefutably proves the hypothesis.

2. PROCEDURE FOR USE:

2.1. Treasury Direct FOIA information is found at:

<https://www.treasurydirect.gov/foia.htm>

2.2. Submitting the form:

2.2.1. The form is electronically fillable with the free Adobe Acrobat Reader available below. Please download and install the latest version of the program:

<http://get.adobe.com/reader/>

2.2.2. Fill in the return address and date at the beginning of the FOIA letter with yours.

2.2.3. Fill in the Social Security Number in the FOIA letter.

2.2.4. Fill in the name at the end of the FOIA letter.

2.2.5. Print out the document on double-sided paper to keep the size down.

2.2.6. Find a Postal Annex or Mailboxes etc. that has two people on duty, one of which is a notary and the other the Mail Server who will mail the item and complete the Certificate of Service.

2.2.7. In the presence of the Notary and using blue (not black) ink, sign section 6 of the document and then have the notary notarize your identity.

2.2.8. Have the Mail Server Fill out the attached Certificate of Service and sign it. Make sure item 2 includes the addresses where the items are mailed, as indicated in the FOIA letter.

- 2.2.9. Have the Notary fill out the Notary Public Jurat at the end of the Certificate of Service, which authenticates the identify of the Mail Server.
- 2.2.10. Make two copies of the entire package, including:
- 2.2.10.1. FOIA letter
 - 2.2.10.2. Enclosure (1): Certificate of Service
- 2.2.11. Have the Mail Server put one *copy* into two envelopes, each one addressed to the Recipients indicated in the FOIA letter, and then seal the envelopes and personally drop them into the mail.
- 2.2.12. Keep the original for yourself and make several copies. You also might want to record the original with the County Recorder so that it becomes a public record which is automatically admissible as evidence in any court trial. The reason is that under [Federal Rule of Evidence 902](#), public records are not subject to the Hearsay Rule.

3. **PROTECT YOUR LEGAL EVIDENCE.**

Keep the original in a safe place locked up, preferably away from your house so that it may not be seized. Also, scan it in as a full color PDF and make backups you keep in several locations. One of the first things a judge will do if you want the document admitted as evidence in a legal trial is ask about the chain of custody of the document and whether it has remained under your own control at all times so that there is an assurance that it was not tampered with. Subject: FOIA Request for Information Relating to Currency and Treasury Securities Secured Against Specific Social Security Number and/or Card

Enclosure(s):

(1) Certificate of Service

Dear Sir,

Thank you for your wonderful and informative website at <https://www.treasurydirect.gov>. After a detailed search of the website, I could not locate the information I seek. Consequently, I decided to request it through the Freedom of Information Act (FOIA).

This correspondence therefore constitutes a formal request under the Freedom of Information Act at [5 U.S.C. §552](#), the Privacy Act at [5 U.S.C. §552a](#). These documents are not sought for any commercial purposes. This is my firm promise to pay fees and costs for locating and duplicating the records requested below.

Understanding that most exemptions are discretionary, rather than mandatory, if for some reason you determined any portion of this request to be exempt from release, please furnish the following:

1. Those portions reasonably segregable after the exempt material is deleted;
2. Detailed justification for your discretionary exemption since the overriding objective of the FOIA is to maximize public access to agency records.
3. The name of the official and correct address to whom an administrative appeal should be addressed.

I am requesting copies of records in lieu of personal inspection of the requested records.

I am attesting under the penalty of perjury under the laws of the united States of America 28 U.S.C. §1746(1) and from without the "United States", that I am a category 5 C.F.R. §294.103(d) requester. Pursuant to [5 U.S.C. §552\(a\)\(6\)\(A\)\(i\)](#), you have no more than 20 days to respond to this request.

Because these documents are expected to be used in a court proceeding, please certify all documents, or have them certified as true and correct with a Certificate of Official Record, or in the event requested documents do not exist, certify that they don't with a Certificate of Lack of Records.

The identifying numbers to which this request relates include the following:

SSN (see 20 C.F.R. §422.103(d)): _____

TIN (see 26 C.F.R. §301.6109-1): _____

Card Serial Number (on back of Social Security Card): _____

Please send me certified copies of all documents described as follows in connection all of the identifying numbers listed above:

1. An itemized list of all currency of the United States in denominations of \$1, \$5, \$10, \$20, \$100, \$1000 issued using as surety or collateral any of the identifying numbers listed above.
2. An itemized list of all Treasury Securities (bonds, notes, etc) issued using as security or collateral the identifying numbers listed above.
3. A copy of any specification or publication available within either your agency or the U.S. Government which describes the purposes and use of the Card Serial Number appearing on the back of the Social Security Card. This number is a nine digit alphanumeric number that begins with a letter and ends with eight numeric digits (e.g. B02849592).
4. An explanation of or documents explaining the following questions:
 - 4.1. Whether a private person who is *not* legally characterized as a federal “public official”, “employee”, contractor, or instrumentality may lawfully hold or use said number or card for his own *personal* benefit without being guilty of larceny, theft, embezzlement, or wrongful conversion of “public property” to a “private use” in violation of [18 U.S.C. §§641](#) and [664](#),
 - 4.2. Whether a private person who is not legally characterized as a federal “public official”, “employee”, contractor, or instrumentality may lawfully be issued a Social Security Number in accordance with 20 C.F.R. §422.104 and lawfully retain this character and standing as a “private” and not “public person” in relation to all interactions he might have with the federal government.
 - 4.3. Why you call any of the above numbers “MY NUMBER”, when in fact 20 C.F.R. §422.103(d) identifies both the card and the number as belonging to the government and not me as a private person who is not a federal “employee” or “public official”:

Title 20: Employees' Benefits
[PART 422—ORGANIZATION AND PROCEDURES](#)
[Subpart B—General Procedures](#)

§ 422.103 *Social security numbers.*

(d) Social security number cards. A person who is assigned a social security number will receive a social security number card from SSA within a reasonable time after the number has been assigned. (See §422.104 regarding the assignment of social security number cards to aliens.) Social security number cards are the property of SSA and must be returned upon request.

- 4.4. Whether you mean to imply, by calling any of the above identifying numbers “MY NUMBER”, that I am or have become any one or more of the following by either applying for or using said number(s):
 - 4.4.1. A “public official” as defined in [26 U.S.C. §7701\(a\)\(26\)](#).

- 4.4.2. “federal personnel” as defined in [5 U.S.C. §552a](#)(a)(13).
- 4.4.3. An “individual” as defined in [5 U.S.C. §552a](#)(a)(2).
- 4.5. Whether a person may apply for a Social Security Number using an SS-5 and lawfully retain their character and classification as a “private person” who is not a federal “public official”, “employee”, contractor, or instrumentality and standing as a private and not public person in relation to all interactions he or she might have with the federal government.
- 4.6. Whether using any of the above identifying numbers in connection with any financial activity, such as opening bank accounts or obtaining loans, constitutes or implies in any manner a legal intention to donate formerly “private property” to a “public use”:

*“Men are endowed by their Creator with certain unalienable rights, -'life, liberty, and the pursuit of happiness;’ and to ‘secure,’ not grant or create, these rights, governments are instituted. **That property [or income] which a man has honestly acquired he retains full control of, subject to these limitations: First, that he shall not use it to his neighbor's injury, and that does not mean that he must use it for his neighbor's benefit; second, that if he devotes it to a public use, he gives to the public a right to control that use; and third, that whenever the public needs require, the public may take it upon payment of due compensation.***

[Budd v. People of State of New York, 143 U.S. 517 (1892)]

- 4.7. A procedure, instruction, or other agency publication which describes how to LAWFULLY use any of the federally issued identifying numbers indicated above in connection with strictly private business not connected with a “public office” or “public purpose” without committing a crime or subjecting the user to any federal jurisdiction over said transaction.
- 5. A document or agency form or publication or policy statement identifying the specific method and forms to use for changing records your or other government agencies maintain describing the nature of any of the above identifying numbers in accordance with the following provisions of law
 - 5.1. For changing the status of the holder to the class of nonresident alien not engaged in a “trade or business” as identified in 26 C.F.R. §1.871-1(b)(i).
 - 5.2. For changing the holder to a person who does NOT meet any of the criteria for issuing a Social Security Card found in 20 C.F.R. §422.104.
 - 5.3. For changing the status of the holder to that of a “nonresident alien” defined in [26 U.S.C. §7701](#)(b)(1)(B):

*“...A person may establish a different status for the number by providing proof of foreign status with the Internal Revenue Service...Upon accepting an individual as a nonresident alien individual, the Internal Revenue Service will assign this status to the individual's social security number. . .
[26 C.F.R. §301.6109-1(g)(1)(i)]*

- 6. Any document or record which might indicate or prove that the process of applying for or using any of the identifying numbers above makes me, a natural person who is a private person into surety or security for any government debt or obligation.
- 7. If your agency or bureau does not maintain records or information of the type or character indicated in the previous items above, the name, address, phone number, and email address of the federal agency or bureau which has the responsibility to maintain such records and/or statistics.

In your agency's response to my request, please identify the record systems searched as well as the scope, depth and nature of the search for appropriate data. Should you decide this request has been sent to the wrong office, please make certain that you forward it to the proper office and notify me of same.

I understand the penalties provided in [5 U.S.C. §552](#)(a)(i)(3) for requesting or obtaining access to records under false pretenses.

Thank you for your prompt attention to timely satisfying all the elements of this request.

Sincerely,
