Dedication

“The very purpose of a Bill of Rights was to withdraw certain subjects from the vicissitudes of political controversy, to place them beyond the reach of majorities and officials and to establish them as legal principles to be applied by the courts. One’s right to life, liberty, and property, to free speech, a free press, freedom of worship and assembly, and other fundamental rights may not be submitted to vote; they depend on the outcome of no elections.”

[West Virginia State Board of Education v. Barnette, 319 U.S. 624, 63 S.Ct. 1178 (1943)]

“In this case, we hold that the "right to exclude[EVERYONE, INCLUDING THE GOVERNMENT]," so universally held to be a fundamental element of the property right,[11] falls within this category of interests that the Government cannot take without compensation.”

[Kaiser Aetna v. United States, 444 U.S. 164 (1979)]

Purpose

- Define “unalienable rights”. Also called “inalienable”.
- Prove that you aren’t **ALLOWED** by law to give them up
- Establish unalienable rights as **LAW** rather than merely public policy
- Prove that protection of inalienable rights is the main purpose of government.
- Describe the circumstances under which unalienable rights can be **LOST** without being **CONSENSUALLY surrendered**.
- Describe what happens when government makes a **franchise/business/”trade or business”** out of alienating unalienable rights.
- Describe passive/indirect government techniques to alienate or undermine unalienable rights.
- Give examples of when you give them up.
- Give you some techniques to prevent giving up your unalienable rights.

Introduction

- If you don't know what [your rights](#) are, then you don't have any and the government will walk all over you! See:
<http://famguardian.org/Subjects/Freedom/Freedom.htm#RIGHTS:>
- Even if you know what [your rights](#) are, you don't have any if you don't know how to prevent giving them up!
- No one, including a lawyer, can defend your rights! YOU are the only one!
- These are things we should learn in grammar school but even college graduates no longer learn them, unless they study law.
- Pay attention, this is the most important subject on our site!

“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--That to secure these [PRIVATE] rights, governments are instituted among men, deriving their just powers from the consent of the governed.”

Definition

"There could be no doubt as to the correctness of this conclusion, so far, at least, as it applied to the District of Columbia. This District had been a part of the states of Maryland and [182 U.S. 244, 261] Virginia. It had been subject to the Constitution, and was a part of the United States[]. The Constitution had attached to it irrevocably. There are steps which can never be taken backward. The tie that bound the states of Maryland and Virginia to the Constitution could not be dissolved, without at least the consent of the Federal and state governments to a formal separation. The mere cession of the District of Columbia to the Federal government relinquished the authority of the states, but it did not take it out of the United States or from under the aegis of the Constitution. Neither party had ever consented to that construction of the cession. If, before the District was set off, Congress had passed an unconstitutional act affecting its inhabitants, it would have been void. If done after the District was created, it would have been equally void; in other words, Congress could not do indirectly, by carving out the District, what it could not do directly. The District still remained a part of the United States, protected by the Constitution. Indeed, it would have been a fanciful construction to hold that territory which had been once a part of the United States ceased to be such by being ceded directly to the Federal government."***

Definition

- By **UNALIENABLE RIGHTS**, we really mean **PRIVATE RIGHTS**. Definition:

Definition of “private”

DISCLAIMER

4. Meaning of Words

4.3: Private

The word "private" when it appears in front of other entity names such as "person", "individual", "business", "employee", "employer", etc. shall imply that the entity is:

1. In possession of absolute, exclusive ownership and control over their own labor, body, and all their property. In Roman Law this was called "[dominium](#)".
2. On an [EQUAL rather than inferior relationship to government in court](#). This means that they have no obligations to any government OTHER than possibly the duty to serve on jury and vote upon voluntary acceptance of the obligations of the civil status of "citizen". (and the [DOMICILE](#) that creates it). Otherwise, they are entirely free and unregulated unless and until they INJURE the equal rights of another under the common law.
3. A "[nonresident](#)" in relation to the state and federal government.
4. Not a PUBLIC entity defined within any state or federal statutory law. This includes but is not limited to statutory "person", "individual", "taxpayer", "driver", "spouse" under any civil statute or franchise.
5. Not engaged in [a public office or "trade or business" \(per 26 U.S.C. §7701\(a\)\(26\)\)](#). Such offices include but are not limited to statutory "person", "individual", "taxpayer", "driver", "spouse" under any civil statute or franchise.
6. [Not consenting](#) to contract with or acquire any public status, public privilege, or public right under any state or federal franchise. For instance, the phrase "private employee" means a common law worker that is NOT the statutory "employee" defined within 26 U.S.C. §3401(c) or 26 C.F.R. §301.3401(c)-1 or any other federal or state law or statute.
7. Not sharing ownership or control of their body or property with anyone, and especially a government. In other words:
 - 7.1 Ownership is not "qualified" but "absolute".
 - 7.2 There are no moieties between them and the government.
 - 7.3 The government has no usufructs over any of their property.
8. Not subject to [civil enforcement or regulation of any kind](#), except AFTER an injury to the equal rights of others has occurred. Preventive rather than corrective regulation is an unlawful taking of property according to the Fifth Amendment takings clause.

Every attempt by anyone in government to alienate rights that the Declaration of Independence says are UNALIENABLE shall also be treated as "PRIVATE BUSINESS ACTIVITY" that cannot be protected by sovereign, official, or judicial immunity. So called "government" cannot make a [profitable business or franchise](#) out of alienating inalienable rights without ceasing to be a classical/de jure government and instead becoming in effect an [economic terrorist and de facto government in violation of Article 4, Section 4](#).

*"No servant [or government or biological person] can serve **two masters**; for either he will hate the one and love the other, or else he will be loyal to the one and despise the other. **You cannot serve God and mammon [government].**"
[\[Luke 16:13, Bible, NKJV\]](#)*

Rights are ALWAYS Demanded!

"The privilege against self-incrimination [Fifth Amendment] is neither accorded to the passive resistant, nor the person who is ignorant of their rights, nor to one who is indifferent thereto. It is a fighting clause. Its benefits can be retained only by sustained combat. It cannot be claimed by an attorney or solicitor. It is only valid when insisted upon by a belligerent claimant in person."

***[U.S. v. Johnson, 76 F.Supp. 538 (1947),
Emphasis added]***

Authorities on Private Rights

"Under our system the people, who are there called subjects, are the sovereign. Their rights, whether collective or individual, are not bound to give way to a sentiment of loyalty to the person of the monarch. The citizen here knows no person, however near to those in power, or however powerful himself, to whom he need yield the rights which the law secures to him when it is well administered. When he, in one of the courts of competent jurisdiction, has established his right to property, [106 U.S. 196, 209] there is no reason why deference to any person, natural or artificial, not even the United States, should prevent him from using the means which the law gives him for the protection and enforcement of that right."

[U.S. v. Lee, 106 U.S. 196 (1882)]

"For the principal aim of society is to protect individuals in the enjoyment of those absolute rights, which were vested in them by the immutable laws of nature; but which could not be preserved in peace without the mutual assistance and intercourse, which is gained by the institution of friendly and social communities. Hence it follows, that the first and primary end of human laws is to maintain and regulate these absolute rights of individuals."

"By the absolute rights of individuals we mean those which are so in their primary and strictest sense; such as would belong to their persons merely in a state of nature, and which every man is entitled to enjoy whether out of society or in it." - Ibid.

[William Blackstone, Commentaries (1765); SOURCE: <http://files.libertyfund.org/pll/quotes/215.html>]

"Where [PRIVATE] rights secured by the Constitution are involved, there can be no rule making or [STATUTORY] legislation which would abrogate [reduce or impair] them."

[Miranda v. Arizona, 384 U.S. 436, 491 (1966)]

Important principles involving rights

1. Rights are property.
2. Anything that CONVEYS rights is property.
3. Contracts convey rights and are therefore property.
4. All franchises are contracts, and therefore property.
5. Civil statuses (Form #13.008) convey and enforce PUBLIC rights and are therefore PUBLIC property.
6. The Constitution conveys mainly PRIVATE rights, which are PRIVATE property in the case of the Bill of Rights.
7. Those who OFFER property to you are a Merchant (Seller) under UCC. 2-104(1).
8. The person RECEIVING the property is the Buyer under U.C.C. 2-103(1)(a).
9. The MERCHANT always prescribes ALL the terms of the offer and can withhold the property if those terms are not met. The withholding of the property is an exercise of the “right to exclude” aspect of ownership.
10. You should always strive to be the Merchant in every business transaction to give yourself the upper hand. Deut. 15:6, Deut. 28:12, Deut. 23:19, Deut. 23:20.

Important principles involving rights

11. You should NEVER allow the GOVERNMENT to act as a Merchant in relation to you. Exodus 23:32-33, Judges 2:1-4. Here is what happens when you do.

“People of all races, genders, political beliefs, sexual orientations, and nearly all religions are welcome here. All are treated equally under REAL “law”. The only way to remain truly free and equal under the civil law is to avoid seeking government civil services, benefits, property, special or civil status, exemptions, privileges, or special treatment. All such pursuits of government services or property require individual and lawful consent to a franchise and the surrender of inalienable constitutional rights AND EQUALITY in the process, and should therefore be AVOIDED. The rights and equality given up are the “cost” of procuring the “benefit” or property from the government, in fact. Nothing in life is truly “free”. Anyone who claims that such “benefits” or property should be free and cost them nothing is a thief who wants to use the government as a means to STEAL on his or her behalf. All just rights spring from responsibilities/obligations under the laws of a higher power. If that higher power is God, you can be truly and objectively free. If it is government, you are guaranteed to be a slave because they can lawfully set the cost of their property as high as they want as a Merchant under the U.C.C. If you want it really bad from people with a monopoly, then you will get it REALLY bad. Bend over. There are NO constitutional limits on the price government can charge for their monopoly services or property. Those who want no responsibilities can have no real/PRIVATE rights, but only privileges dispensed to wards of the state which are disguised to LOOK like unalienable rights. Obligations and rights are two sides of the same coin, just like self-ownership and personal responsibility. For the biblical version of this paragraph, read 1 Sam. 8:10-22. For the reason God answered Samuel by telling him to allow the people to have a king, read Deut. 28:43-51, which is God’s curse upon those who allow a king above them.

Click Here (<https://famguardian.org/Subjects/Taxes/Evidence/HowScCorruptOurRepubGovt.htm>) for a detailed description of the legal, moral, and spiritual consequences of violating this paragraph.”

[SEDM Opening Page, <http://sedm.org>]

WHERE are rights “unalienable”?

- **The Constitution protects UNALIENABLE, PRIVATE rights. The Bill of Rights, which are the first 10 Amendments to the Constitution, does this.**
- **The Constitution identifies itself as “the LAW of the LAND”.**

United States Constitution

Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any state to the Contrary notwithstanding.

[Constitution, Article VI, Clause 2; SOURCE:

<https://law.justia.com/constitution/us/constitution-text-only.html>]

- **Every physical place in United States* the COUNTRY where the constitution applies is therefore protected by the constitution.**

WHERE are rights “unalienable”?

- Congress can, however, extend the protections of the Constitution as **ORGANIC LAW** to places outside its protections through legislation. For example, Indian territory, although sovereign nations in trusteeship, have had a **PORTION** of the protections of the constitution extended to them by act of Congress. See:
 - 25 U.S.C. Chapter 15: Constitutional Rights of Indians
<https://www.law.cornell.edu/uscode/text/25/chapter-15>
- In addition to Indian territory, some territories and/or possessions have also been extended **SOME** but not **ALL** of the protections of the Constitution.
 - These places are called “incorporated territories”.
 - Puerto Rico was, at one time, an “incorporated territory” although at this time it is now a possession rather than a territory.

When Rights Become Privileges

“The most natural privilege of man, next to the right of acting for himself, is that of combining his exertions with those of his fellow-creatures, and of acting in common with them. The right of association therefore appears to me almost as inalienable in its nature as the right of personal liberty. No legislator can attack it without impairing the foundations of society. Nevertheless, if the liberty of association is only a source of advantage and prosperity to some nations, it may be perverted or carried to excess by others, and from an element of life may be changed into a cause of destruction. A comparison of the different methods that associations pursue in those countries in which liberty is well understood and in those where liberty degenerates into license may be useful both to governments and to parties.”

[Alexis de Tocqueville, Democracy in America, Book 1, Chapter 12 [1835];

SOURCE: https://famguardian.org/PublishedAuthors/Indiv/DeTocquevilleAlex/DemocracyInAmerica/1_ch12.htm

When Rights Become Privileges

- **When you exercise your right to contract and combine forces with others to form a collective, the rights of the collective become PRIVILEGES.**
- **Groups of people must be controlled and REGULATED so as not to trample the equal rights of INDIVIDUALS. Form #05.033.**
- **A single human cannot combine forces with others to form a group or collective and empower that collective with his/her delegated authority to have any more rights than a SINGLE human.**

“Derivativa potestas non potest esse major primitive.

The power which is derived cannot be greater than that from which it is derived.”

[Bouvier’s Law Dictionary Unabridged, 8th Edition, pg. 2131]

“Quod per me non possum, nec per alium..

What I cannot do in person, I cannot do through the agency of another.”

[Bouvier’s Law Dictionary Unabridged, 8th Edition, pg. 2159]

When Rights Become Privileges

- **Examples of collectives or groups that are privileged:**
 - Corporations
 - Trusts
 - Businesses
 - Limited Liability Companies (LLC's)
- **For more on why acting as a group or collective is a PRIVILEGE and not a RIGHT, see:**
Collectivism and How to Resist It Course, Form #12.024
<https://sedm.org/Forms/FormIndex.htm>

UNALIENABLE rights are not “civil rights”

- **UNALIENABLE rights are NOT “civil rights”.**
- **Civil rights are created and granted by the government by civil statutes:**

“The rights of the individual are not derived from governmental agencies, either municipal, state or federal, or even from the Constitution. They exist inherently in every man, by endowment of the Creator, and are merely reaffirmed in the Constitution, and restricted only to the extent that they have been voluntarily surrendered by the citizenship to the agencies of government. The people's rights are not derived from the government, but the government's authority comes from the people.*946 The Constitution but states again these rights already existing, and when legislative encroachment by the nation, state, or municipality invade these original and permanent rights, it is the duty of the courts to so declare, and to afford the necessary relief. The fewer restrictions that surround the individual liberties of the citizen, except those for the preservation of the public health, safety, and morals, the more contented the people and the more successful the democracy.”

[City of Dallas v. Mitchell, 245 S.W. 944 (1922)]

- **The phrase “restricted only to the extent that they have been voluntarily surrendered by the citizenship to the agencies of government” means DOMICILE, not NATIONALITY. THAT’S how you become subject to the civil statutory codes.**

UNALIENABLE rights are not “civil rights”

- Nearly all [civil statutes](#) are law ONLY for government or officers of the government and CANNOT and DO NOT regulate or protect PRIVATE UNALIENABLE RIGHTS. See: *Why Statutory Civil Law Is Law for Government and Not Private Persons, Form #05.037*
<http://sedm.org/Forms/FormIndex.htm>
- If you don't claim [STATUTORY citizenship](#) or [civil domicile](#) that makes it possible, then:
 - You retrain ALL of your PRIVATE natural rights.
 - You may not be sued under the civil statutory codes/franchises.
 - You may be sued under the common law and equity.
 - The government and everyone else HAS to leave you alone. That's the [definition of “justice” itself](#).
- [Domicile](#) and [STATUTORY citizenship](#) are therefore a LIABILITY, not a “BENEFIT”. CIVIL RIGHTS require both. For details, see:
 - *Why You are a “national”, “state national”, and Constitutional but not Statutory Citizen, Form #05.006*
<http://sedm.org/Forms/FormIndex.htm>
 - *Why Domicile and Becoming a “Taxpayer” Require Your Consent, Form #05.002*
<http://sedm.org/Forms/FormIndex.htm>

***UNALIENABLE* rights are not “civil rights”**

- The name given by the courts for **CONSTITUTIONAL** and **PRIVATE** rights is “**CIVIL LIBERTIES**” rather than “**CIVIL RIGHTS**”:

“Civil liberties. Personal, natural rights guaranteed and protected by the Constitution; e.g. freedom of speech, press, freedom from discrimination, etc. Body of law dealing with natural liberties, shorn of excesses which invade equal rights of others. Constitutionally, they are restraints on government. Sowers v. Ohio Civil Rights Commission, 20 Ohio Misc. 115, 252 N.E.2d. 463, 476. State law may recognize liberty interests more extensive than those independently protected by the Federal Constitution. Mills v. Rogers, 457 U.S. 291, 300, 102 S.Ct. 2442, 2449, 73 L.Ed.2d. 16 (1982). See also Bill of Rights, Civil Rights Acts; Fundamental rights.”

[Black’s Law Dictionary, Sixth Edition, p. 246]

- For a detailed comparison of **PRIVATE CONSTITUTIONAL CIVIL LIBERTIES** with **PUBLIC STATUTORY CIVIL RIGHTS**, see:

Enumeration of Inalienable Rights, Form #10.002, Section 10.8
<https://sedm.org/Forms/10-Emancipation/EnumRights.pdf>

Purpose of Government

- The audience of the Declaration of Independence is human beings, not artificial entities.
- The purpose of [de jure governments](#), according to the Declaration of Independence, is to protect UNALIENABLE [PRIVATE] RIGHTS.
- All rights are PROPERTY. Therefore, the purpose of government is to protect PRIVATE PROPERTY ONLY.
- The first step in protecting PRIVATE property is to prevent it from being converted to PUBLIC property.
 - After all, a government that won't protect you from ITSELF has no business being hired to protect you from anyone else.
 - A government that won't protect you from itself or from converting your PRIVATE property into PUBLIC property is NOT a “government”, but a mafia “protection racket” and “taxes” are protection money.
- For details on the mandatory separation between PUBLIC and PRIVATE, see:

Separation Between Public and Private, Form #12.025

<http://sedm.org/Forms/FormIndex.htm>

Inalienability is LAW!

- **Those in government try to dismiss the inalienability of private rights by saying no law requires it. This is a LIE.**
- **The very first act of Congress, on page 1 of the Statutes at Large enacts the Declaration of Independence into LAW!**
- **The Declaration of Independence is also called:**
 - Organic law.
 - Fundamental law.**Therefore it is LAW!**
- **That first act of Congress has never been repealed!**
- **Congress CANNOT “repeal” the Declaration of Independence.**
- **Judge Andrew Napolitano agrees that the Declaration of Independence is the most frequently violated law by Congress:**

You cannot consent to alienate but surrender is still possible

- So PRIVATE rights are UNALIENABLE, which means you **AREN'T ALLOWED BY LAW** to [CONSENT \(Form #05.003\)](#) to give them up to a REAL, DE JURE government.
- There are **STILL** things you can do, however, to surrender them.
- Recall that both the [U.S. Constitution](#) and the [Bill of Rights](#) that is part of it attaches to LAND within states of the Union.
- If you move your place of work or your [place of domicile](#) to be outside of states of the Union, then you **LOSE** the protection of the Constitution and the [Bill of Rights](#).
Examples of circumstances where you **LOSE** unalienable rights [WITHOUT consenting](#) include:
 - Working on federal territory even though LIVING in a state of the Union.
 - Domiciled in or living on federal territory such as Puerto Rico or Guam.
 - Domiciled in or living in a foreign country.
- Therefore, changing your geography (usually **UNKNOWINGLY**) is the **ONLY** method to **LAWFULLY** lose UNALIENABLE rights [WITHOUT consenting](#).

Making a profitable BUSINESS out of alienating CONSTITUTIONAL rights is NOT a legitimate government activity but a private commercial activity

- Since you can't lawfully **CONSENT** to alienate an **UNALIENABLE** right in relation to a **REAL government** per the Declaration of Independence, then any "government" that tries to do it is:
 - NOT a "government" as the Declaration of Independence defines it.
 - A DE FACTO government. See:
 - De Facto Government Scam*, Form #05.043
 - <http://sedm.org/Forms/FormIndex.htm>
 - Attempting to obtain property. All rights, including PRIVATE rights, are property.
 - Engaging in "commerce", which is merely an exchange or trade or property.
 - Acting in a PRIVATE capacity like any other business, much like it does as an "employer" of its own workers or in its interactions with government contractors.
 - Engaging in PRIVATE commercial activity.
 - Implicitly waives official, judicial, and sovereignty immunity under:
 - » The [Foreign Sovereign Immunities Act, 28 U.S.C. Chapter 97](#)
 - » The [Law of Nations, Vattel](#)
 - » [International Shoe Co. v. Washington, 326 U.S. 310 \(1945\)](#)
- ...BECAUSE they are "purposefully availing" themselves of what MUST be "consensual commerce" in an otherwise legislatively FOREIGN jurisdiction.

Making a profitable BUSINESS out of alienating CONSTITUTIONAL rights is NOT a legitimate government activity but a private commercial activity

- Cannot be protected by official, judicial, or sovereign immunity BECAUSE it is not acting as a “government” in relation to states of the Union. They can assert sovereign immunity in relation to domiciliaries and legal fictions on federal territory but not the states of the Union.
- This is called the “Clearfield Doctrine”:

Making a profitable *BUSINESS* out of alienating *CONSTITUTIONAL* rights is *NOT* a legitimate government activity but a private commercial activity

See also *Clearfield Trust Co. v. United States*, 318 U.S. 363, 369 (1943) ("*The United States does business on business terms*") (quoting *United States v. National Exchange Bank of Baltimore*, 270 U.S. 527, 534 (1926)); *Perry v. United States*, *supra* at 352 (1935) ("*When the United States, with constitutional authority, makes contracts, it has rights and incurs responsibilities similar to those of individuals who are parties to such instruments. See *Jones*, 1 Cl.Ct. at 85 ("*Wherever the public and private acts of the government seem to commingle, a citizen or corporate body must by supposition be substituted in its place, and then the question be determined whether the action will lie against the supposed defendant*"; *O'Neill v. United States*, 231 Ct.Cl. 823, 826 (1982) (sovereign acts doctrine applies where, "[w]ere [the] contracts exclusively between private parties, the party hurt by such governing action could not claim compensation from the other party for the governing action"). The dissent ignores these statements (including the statement from *Jones*, from which case *Horowitz* drew its reasoning literally verbatim), when it says, post at 931, that the sovereign acts cases do not emphasize the need to treat the government-as-contractor the same as a private party.

Making a profitable BUSINESS out of alienating CONSTITUTIONAL rights is NOT a legitimate government activity but a private commercial activity

Below is an example of how government alienates your rights in the ONLY place it can lawfully do it, which is on federal territory or abroad, but not in a constitutional state: It in effect PURCHASES them with its property through a grant process:

“It is only where some right or privilege [which are GOVERNMENT PROPERTY] is conferred by the government or municipality upon the owner, which he can use in connection with his property, or by means of which the use of his property is rendered more valuable to him, or he thereby enjoys an advantage over others, that the compensation to be received by him becomes a legitimate matter of regulation. Submission to the regulation of compensation in such cases is an implied condition of the grant, and the State, in exercising its power of prescribing the compensation, only determines the conditions upon which its concession shall be enjoyed. When the privilege ends, the power of regulation ceases.”

- The word “concession” as used above is defined as follows:

CONCESSION. A grant; ordinarily applied to the grant of specific privileges by a government; French and Spanish grants in Louisiana. *Western M. & M. Co. v. Peytona Coal Co.*, 8 W.Va. 446. A voluntary grant, or a yielding to a claim or demand; rebate; abatement. *U. S. v. P. Koenig Coal Co.*, D.C.Mich., 1 F.2d 738, 740; *Williams v. Belvedere Hotel Co.*, 137 Md. 665, 113 A. 335, 337, 14 A.L.R. 622.

What SPECIFIC “government property” are they purchasing your rights with in the case of civil statutory law?

- Don't believe us that YOU VOLUNTEERED? Then read this:

“The distinction between public rights and private rights has not been definitively explained in our precedents. Nor is it necessary to do so in the present cases, for it suffices to observe that a matter of public rights must at a minimum arise “between the government and others.” Ex parte Bakelite Corp., supra, at 451, 49 S.Ct., at 413. In contrast, “the liability of one individual to another under the law as defined,” Crowell v. Benson, supra, at 51, 52 S.Ct., at 292, is a matter of private rights. Our precedents clearly establish that only controversies in the former category may be removed from Art. III courts and delegated to legislative courts or administrative agencies for their determination. See Atlas Roofing Co. v. Occupational Safety and Health Review Comm'n, 430 U.S. 442, 450, n. 7, 97 S.Ct. 1261, 1266, n. 7, 51 L.Ed.2d. 464 (1977); Crowell v. Benson, supra, 285 U.S., at 50-51, 52 S.Ct., at 292. See also Katz, Federal Legislative Courts, 43 Harv.L.Rev. 894, 917-918 (1930).FN24 Private-rights disputes, on the other hand, lie at the core of the historically recognized judicial power.”

[. . .]

Although Crowell and Raddatz do not explicitly distinguish between rights created by Congress [PUBLIC RIGHTS] and other [PRIVATE] rights, such a distinction underlies in part Crowell's and Raddatz' recognition of a critical difference between rights created by federal statute and rights recognized by the Constitution. Moreover, such a distinction seems to us to be necessary in light of the delicate accommodations required by the principle of separation of powers reflected in Art. III. The constitutional system of checks and balances is designed to guard against “encroachment or aggrandizement” by Congress at the expense of the other branches of government. Buckley v. Valeo, 424 U.S., at 122, 96 S.Ct., at 683. But when Congress creates a statutory right [a “privilege” or “public right” in this case, such as a “trade or business”], it clearly has the discretion, in defining that right, to create presumptions, or assign burdens of proof, or prescribe remedies; it may also provide that persons seeking to vindicate that right must do so before particularized tribunals created to perform the specialized adjudicative tasks related to that right. FN35 Such provisions do, in a sense, affect the exercise of judicial power, but they are also incidental to Congress' power to define the right that it has created. No comparable justification exists, however, when the right being adjudicated is not of congressional creation. In such a situation, substantial inroads into functions that have traditionally been performed by the Judiciary cannot be characterized merely as incidental extensions of Congress' power to define rights that it has created. Rather, such inroads suggest unwarranted encroachments upon the judicial power of the United States, which our Constitution reserves for Art. III courts.

MOST OF WHAT THE GOVERNMENT DOES IS PRIVATE COMMERCIAL ACTIVITY

- The vast majority of what the present de facto government (Form #05.043) does:
 - Is NOT “government” as defined by the Declaration of Independence
 - Involves PRIVATE commercial business activity
 - Is NOT protected by sovereign immunity
 - Is expanded and enforced ILLEGALLY by people who are unknowingly acting as public officers and who would not do so if they were offered an informed choice to quit.
 - Is implemented and enforced through PRIVATE LAW commercial excise taxable franchises.
- Examples of PRIVATE commercial excise taxable franchises that implement the above:
 - Income taxation (“trade or business”/public office franchise). See:
The “Trade or Business” Scam, Form #05.001
<http://sedm.org/Forms/FormIndex.htm>
 - Marriage licensing. See:

MOST OF WHAT THE GOVERNMENT DOES IS PRIVATE COMMERCIAL ACTIVITY

- Taxable franchises cannot lawfully be offered within constitutional states according to the U.S. Supreme Court. See [License Tax Cases, 72 U.S. 462, 18 L.Ed. 497, 5 Wall. 462, 2 A.F.T.R. 2224 \(1866\).](#)

Unconstitutional Conditions Doctrine

- The Unconstitutional Conditions Doctrine states that the government cannot use its ability to contract to make you give up an UNALIENABLE RIGHT.
- The first mention of the phrase “unconstitutional conditions” by the U.S. Supreme Court occurred in [Doyle v. Continental Ins. Co, 94 U.S. 535, 543 \(1876\) \(Bradley, J., dissenting\)](#)

“Though a State may not have the power, if it sees fit to subject its citizens to inconvenience, of prohibiting all foreign corporations from transacting business within its jurisdiction, it has no power to impose unconstitutional conditions upon their doing so.”.
- Other cases that address the doctrine:
 1. [Frost v. Railroad Commission, 271 U.S. 583 \(1925\)](#)
 2. [Speiser v. Randall, 357 U.S. 513 \(1958\)](#)

The Constitution's limits on the government are legal limits imposed with the consent of the people. Therefore, neither private nor state consent can alter these limits or otherwise enlarge the federal government's constitutional power.

Government making a business out of alienating rights: Weaponization of Government

SEDM Disclaimer, Section 4.30: Weaponization of Government

<https://sedm.org/disclaimer.htm#4.30>. Weaponization of government

- The result of “weaponization of government” is:
 - Corruption of the entire government and every public servant. See:

 - » ***Government Corruption: Causes and Remedies Course, Form #12.026***

- Corrupting every voter and jurist with a financial conflict of interest, because they will always cast their vote to perpetuate their share of the franchise **PLUNDER** stolen from unwilling participants or those who would quit if offered an informed choice. It is a **CRIME** to bribe or intimidate voters or jurists, by the way.
- Converting the “public trust” into a **SHAM** trust in which the de facto private corporation becomes an alter-ego or “nominee” to service the private pecuniary interests of those serving in government **AT YOUR EXPENSE**.

Government making a business out of alienating rights: Weaponization of Government

- Every attempt to do commercial business involves contracting in some form.
- The **Unconstitutional Conditions Doctrine** prevents the government from making the surrender of Constitutional rights a condition of doing business or contracting with it.
- Hence, in order to be lawful, such PRIVATE, for profit business must be conducted:
 1. Among those **socialist USEFUL IDIOTS (Form #05.016)** who are dumb enough to trust a **corrupt government (Form #11.401)** by **CONSENTING (Form #05.003)** to be “screwed, black and blued, and tattooed” to ANYTHING the government does or wants to do. OR
 2. ONLY on **federal territory** or abroad, where such PRIVATE UNALIENABLE RIGHTS DO NOT exist. See **Downes v. Bidwell, 182 U.S. 244 (1901)** for proof. OR
 3. Among those CONSENSUALLY domiciled on federal territory or abroad. See **Form #05.002**. OR
 4. Among those who mistakenly MISREPRESENT their **civil status** on any government form as indicative of any of the above by CLAIMING to be anything OTHER than a STATUTORY “**nonresident**” in relation to the government offering the privilege.
See:
Avoiding Traps on Government Forms Course, Form #12.023

Government making a business out of alienating rights: Weaponization of Government

- **When such “weaponization of government” and de facto business is conducted on land protected by the Constitution within a state of the Union, then it:**
 - Violates the purpose of establishing government.
 - Constitutes an “invasion” within the meaning of [Article 4, Section 4](#).
 - Is a breach of fiduciary duty and violates public office oath.
 - Causes a waiver of sovereign, official, and judicial immunity under the Minimum Contracts Doctrine, the [Foreign Sovereign Immunities Act \(F.S.I.A.\)](#), and the [Longarm Statutes of the State](#).
 - Establishes an unconstitutional Title of Nobility (U.S. Inc, [Article 1, Section 9, Clause 8](#)) if [sovereign immunity](#) or the [requirement for consent](#) to sue is asserted within the state or in state court.
 - Establishes a state-sponsored religion in violation of the First Amendment. For a detailed description of that religion and proof of its existence, see:

DEFINITION OF “Weaponization of Government”

[SEDM Disclaimer](#)

[4. Meaning of Words](#)

[4.30 Weaponization of government](#)

The process by which a classically governmental function is abused as a method to destroy or war against private rights, private property, common law remedies, constitutional remedies, or even personal choice and autonomy. The PERPETRATOR we call the RECRUITER and the VICTIM we call the PEON, VASSAL, and SLAVE. We describe the HAZARDS of participating in, NOT opposing, or benefiting from the "weaponization of government" on the opening page of our site as follows:

DEFINITION OF “Weaponization of Government”

“People of all races, genders, political beliefs, sexual orientations, and nearly all religions are welcome here. All are treated equally under REAL “law”. The only way to remain truly free and equal under the civil law is to avoid seeking government civil services, benefits, property, special or civil status, exemptions, privileges, or special treatment. All such pursuits of government services or property require individual and lawful consent to a franchise and the surrender of inalienable constitutional rights AND EQUALITY in the process, and should therefore be AVOIDED. The rights and equality given up are the “cost” of procuring the “benefit” or property from the government, in fact. Nothing in life is truly “free”. Anyone who claims that such “benefits” or property should be free and cost them nothing is a thief who wants to use the government as a means to STEAL on his or her behalf. All just rights spring from responsibilities/obligations under the laws of a higher power. If that higher power is God, you can be truly and objectively free. If it is government, you are guaranteed to be a slave because they can lawfully set the cost of their property as high as they want as a Merchant under the U.C.C. If you want it really bad from people with a monopoly, then you will get it REALLY bad. Bend over. There are NO constitutional limits on the price government can charge for their monopoly services or property. Those who want no responsibilities can have no real/PRIVATE rights, but only privileges dispensed to wards of the state which are disguised to LOOK like unalienable rights. Obligations and rights are two sides of the same coin, just like self-ownership and personal responsibility. For the biblical version of this paragraph, read 1 Sam. 8:10-22. For the reason God answered Samuel by telling him to allow the people to have a king, read Deut. 28:43-51, which is God’s curse upon those who allow a king above them. Click Here for a detailed description of the legal, moral, and spiritual consequences of violating this paragraph.”

[SEDM Opening Page, <http://sedm.org>]

Below are the elements describing exactly what we mean by this term:

1. The result is:
 - 1.1. An INVOLUNTARY conversion of PRIVATE property, PRIVATE rights, and PRIVATE civil status into PUBLIC property, PUBLIC rights, and PUBLIC civil statutory status respectively.
 - 1.2 A destruction of the legal separation between PUBLIC and PRIVATE. See: Separation Between Public and Private Course, Form #12.025
<https://sedm.org/LibertyU/SeparatingPublicPrivate.pdf>
 - 1.3 A government that has superior or supernatural powers in relation to the people it was created to SERVE from below rather than RULE from above.
 - 1.4 The creation of a ALLEGED but not ACTUAL consensual connection between a fictional office (the “franchisee”) in the government and an otherwise PRIVATE human OUTSIDE the government.
 - 1.5 A destruction of equality of treatment and protection between the GOVERNORS and the GOVERNED. See: Requirement for Equal Protection and Equal Treatment, Form #05.033
<https://sedm.org/Forms/05-MemLaw/EqualProtection.pdf>
 - 1.6 The establishment of a civil or governmental religion in violation of the First Amendment. See: Socialism: The New American Civil Religion, Form #054.016
<https://sedm.org/Forms/05-MemLaw/SocialismCivilReligion.pdf>
2. Such activities:
 - 2.1 Work a purpose OPPOSITE of that of establishing government in the first place, which is EXCLUSIVELY the protection of PRIVATE property and PRIVATE rights.
 - 2.2 Violate the Bill of Rights of the constitution of the government doing so.
 - 2.3 Violate the oath of office of those working in the government who conspire to engage in such activities.
 - 2.4 Result in a conversion of the government engaging in them from DE JURE to DE FACTO. See: De Facto Government Scam, Form #05.024
<https://sedm.org/Forms/05-MemLaw/CorpGovt.pdf>
3. The method of instituting this weaponization of government usually consists of illegal “bundling” of a WANTED service with an UNWANTED service, privilege or franchise. This makes it IMPOSSIBLE to avoid the UNWANTED service, privilege, or franchise, because:
 - 3.1 The government has a monopoly on the WANTED aspect of the product or service.
 - 3.2 Private industry is usually legally prohibited from offering the WANTED service. In some cases, the offering of the service is a criminal offense, in order to ENSURE and protect this criminal mafia racketeering.

DEFINITION OF “Weaponization of Government”

4. The techniques described herein fit in the following CRIMINAL categories:
 - 4.1 Extortion. [18 U.S.C. §872](#). They are coercing you into a public office and franchise so you become a usually ONGOING sponsor of their criminal activities.
 - 4.2 Offer to procure appointive public office. [18 U.S.C. §210](#). Offering you the UNWANTED portion of the service, which is usually a public office, constitutes a criminal offer to procure the public office with the bribe of "benefits" that you technically aren't eligible for.
 - 4.3 Bribery of public officials and witnesses. [18 U.S.C. §201](#). The monies paid to the government under the coerced public office or fiction occupied by the victim of this extortion constitute bribes to a public official to treat you AS IF you are a real de jure public officer and to pay you "benefits" that only public officers can collect.
 - 4.4 Conflict of interest. [18 U.S.C. §208](#). A criminal financial conflict of interest is created in the people offering the WANTED service to market and compel the UNWANTED service to increase their revenues.
 - 4.5 Peonage and slavery. [18 U.S.C. §1581](#) and Thirteenth Amendment. The civil statutory obligations that attach to the compelled office that the VICTIM involuntarily occupies constitute PEONAGE.
 - 4.6 Impersonating a public officer. [18 U.S.C. §912](#). Government can only regulate its own officers. Those officers must, in turn, be lawfully elected, appointed, or hired and they NEVER are. Following proper appointment, election, or hiring protocol would, after all, inform you that you are a volunteer, and they can NEVER admit that they need your consent to regulate you.
5. Those in government engaging in such activities protect themselves from criminal consequences by:
 - 5.1 Abusing "equivocation" of key terms to make PUBLIC and PRIVATE indistinguishable.
 - 5.2 Playing stupid.
 - 5.3 Ensuring that people administering the program are NOT legally responsible or accountable for anything they say, write, or publish. See: [Legal Deception, Propaganda, and Fraud, Form #05.014](#)
<https://sedm.org/Forms/05-MemLaw/LegalDecPropFraud.pdf>
 - 5.4 Compartmentalizing service personnel at the bottom by telling them to learn PROCEDURES and NEVER actual LAW. Thus, they can claim plausible deniability and never be prosecuted personally for their criminal activities. .
6. To ensure the continuation and protection of the weaponization of government, the corrupt government agents and employees engaging in it will:
 - 6.1 Hide forms for quitting the programs.
 - 6.2 Describe the program as "voluntary" but provide no regulations, forms, or internal procedures to QUIT.
 - 6.3 Not offer options on the application for the WANTED service any method of UNBUNDLING or REMOVING the UNWANTED service from the transaction.
 - 6.4 Define no statutory or regulatory terms which recognize ANYONE who has not volunteered for the UNWANTED service so that their PRIVATE rights can be legally recognized and even ADMINISTRATIVELY enforced.
The above tactics, in a PRIVATE business context, would be referred to as "marketing".
7. To ensure that the government is never victimized by the above tactics by PRIVATE people using it against THEM, the corrupted and covetous government must implement SOVEREIGN IMMUNITY in its own case but DENY it to the sovereign people they serve:
 - 7.1 Government must claim to have sovereign immunity which requires EXPRESS WRITTEN CONSENT to surrender that sovereign immunity. By the way, the CONSTITUTION DOES NOT AUTHORIZE sovereign immunity and there is therefore NO SUCH THING! See: [Najim v. CACI Premier Tech., Inc., 368 F. Supp. 3d 935 \(2019\)](#).
 - 7.2 The Sovereign People from whom that sovereign immunity was delegated DO NOT have sovereign immunity. Thus, sovereign immunity is a "supernatural power" the people as the "natural" cannot and do not possess.
 - 7.3 All people signing up for the SCAM UNWANTED service do so through usually IMPLIED rather than EXPRESS consent. Thus, they are UNAWARE that they are "electing" themself ILLEGALLY into a public office and joining the government by doing so. This constitutes fraud, because they are NOT ALLOWED to know that is what they are doing, and if they knew that was what they were doing, they would DEMAND the ability to NOT CONSENT to the UNWANTED service connected to the office and receive only the WANTED service or product. See: [Proof That There Is a "Straw Man", Form #05.042](#)
<https://sedm.org/Forms/05-MemLaw/StrawMan.pdf>
8. Synonyms for this process include: adhesion contract, unconscionable contract, compelled franchise, compelled privilege, SLAVERY, PEONAGE, HUMAN TRAFFICKING.

DEFINITION OF “Weaponization of Government”

Examples of government programs which usually implement "weaponization of government" as described above:

1. *Passports. Most people use this document mainly for INTERSTATE travel and ID to conduct commerce, neither of which can be or should be "privileged" or regulated. Foreign travel use requests the PRIVILEGE of protection abroad is only secondary and should be optional. The Department of State should offer TWO passports, one for INTRASTATE use and one for FOREIGN use, so that you have a "NONPRIVILEGED" version of the document that you can obtain WITHOUT the need to collect an SSN or TIN. Forcing applicants to provide an SSN or TIN to receive ANY kind of passport essentially bundles a DE FACTO public office with otherwise PRIVATE travel. That office is called "STATUTORY citizen" under [8 U.S.C. §1401](#), 26 C.F.R. §1.1-1(c), etc. See: [Getting a USA Passport as a "State National", Form #10.013](#)
<https://sedm.org/product/getting-a-usa-passport-as-a-state-national-form-10-013/>*
2. *State "resident" ID. This id is intended primarily for use in commerce, and most people, if they had a choice, would AVOID the STATUTORY "resident" civil status and public office bundled with it.*
3. *Driver licensing. This id is intended primarily for use in commerce, and most people, if they had a choice, would AVOID the STATUTORY "driver" civil status and public office bundled with it.*
4. *Marriage licensing. Licensed marriage is a civil statutory privilege and a three party contract. A licensed marriage is polygamy with the state, and the state is the only one of the three parties who can rewrite the contract at will any time they want. Thus, the state literally becomes god as the only party with superior or supernatural powers in violation of the First Amendment.*
5. *Professional licensing. Government uses licenses to institute in effect ECONOMIC EMBARGOES on all those who don't follow their rules. If you don't follow their rules and regulations, they take away the license. In the absence of a license, you lose business and could literally starve in some cases. The result is GENOCIDE.*
6. *Building permits. It's not your property if you need permission from the government to do anything to it that doesn't demonstrably injure others.*
7. *Property taxes. Through the Torrens Act and the building code, the state claims a shared ownership in the property and acquires absolute ownership. If you don't pay the property tax, they literally STEAL your property and all your equity. The absolute owner is the only party who can deprive other parties of the use of the property so they are the absolute owner.*
8. *The Federal Reserve counterfeiting franchise. We presently have "currency", and not "money". Currency in turn is a debt instrument, and the effective lender is the PRIVATE, for profit, Federal Reserve. Every attempt to regulate the use of this fiat currency through money laundering statutes presupposes that those handling it are engaged in a public office in the national government. See:

DEFINITION OF “Weaponization of Government”

In the private commercial marketplace, such tactics by large corporations include the following:

1. *The Google Android operating system:*
 - 1.1 *If phone manufacturers what to implement on their phone, must agree to use Google Search as their default search engine.*
 - 1.2 *Developers who want to sell their apps in the Google Play store must run all payments through the Google Play payment system and pay a commission to Google. They are NOT allowed to have their OWN private app store or payment platform.*
2. *The Apple IOS operating system. Vendors who want to offer their apps in the Apple Store must use the Apple payment platform and pay an exorbitant 30% of all revenues their app collects, even if it isn't the sale of their app initially. This is extortion.*
3. *The Microsoft Windows operating system. For years, Microsoft mandated that the Internet Explorer browser had to be installed as the default browser on all new PC's sold, or the manufacturer could not buy Windows to install on their computer.*
4. *Amazon marketplace. Third party vendors who sell on Amazon must agree in writing when they sign up to NEVER offer the products they sell on Amazon at a LOWER price than the Amazon price.*
5. *Banks. Most banks COMPEL you ILLEGALLY into a public office called a [STATUTORY "U.S. Person"](#) in order to open a bank account, even though it is ILLEGAL to occupy or elect yourself into such an office. They do this by refusing to accept the W-8 form and mandating the use of the W-9 form to open an account, even though the W-9 doesn't apply to most Americans. See:
["U.S. Person" Position, Form #05.052](#)
<https://sedm.org/Forms/05-MemLaw/USPersonPosition.pdf>*
6. *Money Service Businesses (MSBs) such as Western Union. They require you to provide an SSN in order to obtain a reloadable gift card and claim that "the law" mandates this.*
 - 6.1 *Their basis for doing so is usually "anti-money laundering" statutes (not "laws", but "statutes") that DO NOT apply to the average American. See:
[The Money Laundering Enforcement Scam, Form #05.044](#)
<https://sedm.org/Forms/05-MemLaw/MoneyLaunderingScam.pdf>*
 - 6.2 *No law mandates that a state national and nonresident alien not engaged in the "trade or business" franchise must have or use an SSN or TIN, but they ILLEGALLY refuse to allow prospective cardholders to claim this status or avoid the SSN/TIN requirement. See:
[About IRS Form W-8BEN, Form #04.202](#)
<https://sedm.org/Forms/04-Tax/2-Withholding/W-8BEN/AboutIRSFormW-8BEN.htm>*
7. *Private employers accepting job applicants. They say you MUST fill out a W-4 and will not accept a W-8 in order to obtain a job, NOT as an "employee", but simply as a "worker" who is NOT a statutory government "employee". See [Federal and State Withholding Options for Private Employers, Form #09.001](#)

DEFINITION OF “Weaponization of Government”

The European Union has previously SANCTIONED large corporations to the tune of billions of dollars of penalties connected with the above tactics, which they label in court as "anti-competitive behavior". Why aren't they applying the SAME tactics to THEMSELVES, as far as the MONEY system? For instance, why aren't PRIVATE companies allowed to have private money systems and not connect those who use them into a public office illegally? Every time someone tries to do this, they get RAIDED illegally under the guise of "know your customer rules" that don't apply to private people. This has happened with eGold, Bitclub, Liberty Dollar, National Barter Association, and MANY others. Litigating against these entities can only have one purpose: Protect a de facto monopoly on money that the Constitution does NOT EXPRESSLY authorize and which is therefore FORBIDDEN. See:

The main purpose of ELIMINATING all "weaponization of government" as described above is to:

1. Pursue "[justice](#)", which is legally defined as the "right to be left alone" by everyone, INCLUDING and ESPECIALLY government. See:
[What is "Justice"?](https://sedm.org/Forms/05-MemLaw/WhatIsJustice.pdf), Form #05.050
<https://sedm.org/Forms/05-MemLaw/WhatIsJustice.pdf>
2. Restore the constitutional separation between PUBLIC and PRIVATE. The Constitution is a TRUST indenture, and the main "benefit" it delivers, in fact, is PRIVATE PROPERTY! See:
[Separation Between Public and Private Course](https://sedm.org/LibertyU/SeparatingPublicPrivate.pdf), Form #12.025
<https://sedm.org/LibertyU/SeparatingPublicPrivate.pdf>
3. Restore government to it's DE JURE functions and eliminate all DE FACTO practices. See:
[De Facto Government Scam](https://sedm.org/Forms/05-MemLaw/DeFactoGov.pdf), Form #05.043
<https://sedm.org/Forms/05-MemLaw/DeFactoGov.pdf>
4. Eliminate the "[Administrative State](#)" that depends for its entire existence upon the ILLEGAL creation of the public offices that animate and implement the above FRAUD upon the people. See:
[Administrative State: Tactics and Defenses Course](https://sedm.org/LibertyU/AdminState.pdf), Form #12.041
<https://sedm.org/LibertyU/AdminState.pdf>
5. To eliminate the criminal activities and criminal financial conflicts of interest in both the judiciary and the legal profession created by the above.

It is against the duties of a public officer to jeopardize or undermine PRIVATE rights and property

“As expressed otherwise, the powers delegated to a [public officer](#) are held in trust for the people and are to be exercised in behalf of the government or of all citizens who may need the intervention of the officer.[1] Furthermore, the view has been expressed that all public officers, within whatever branch and whatever level of government, and whatever be their private vocations, are trustees of the people, and accordingly labor under every disability and prohibition imposed by law upon trustees relative to the making of personal financial gain from a discharge of their trusts. [2] That is, a public officer occupies a fiduciary relationship to the political entity on whose behalf he or she serves. [3] and owes a fiduciary duty to the public. [4] It has been said that the fiduciary responsibilities of a public officer cannot be less than those of a private individual. [5] Furthermore, it has been stated that any enterprise undertaken by the public official which tends to weaken public confidence and undermine the sense of security for individual [PRIVATE] rights is against public policy[6].“

Passive/Indirect means of alienation

- Because you cannot lawfully consent to give away UNALIENABLE rights, then corrupt covetous governments must resort to passive/indirect, DISHONEST and/or deceptive means.
- We already established that UNALIENABLE rights attach to land, so they have to kidnap your legal identity (a CRIME) and transport it to federal territory in order to ALIENATE property from you.
- Most alienation therefore occurs by trickery using the following passive/indirect means to accomplish the kidnapping:
 - “Word of art” games in the law with geographical terms.
 - Equivocation with geographical terms.
 - Presumption about geographical terms fostered by legal ignorance.
 - Deception on forms/publications
 - Omission in recognizing or protecting PRIVATE rights and PRIVATE people.

Passive/Indirect means of alienation

- We won't cover the SPECIFIC passive indirect means, because this is covered in:
 - *Foundations of Freedom, Video 4: Willful Government Deception and Propaganda*, Form #12.021
<http://sedm.org/Forms/FormIndex.htm>
 - *Avoiding Traps in Government Forms*, Form #12.023
<http://sedm.org/Forms/FormIndex.htm>
 - *Legal Deception, Propaganda, and Fraud*, Form #05.014
<http://sedm.org/Forms/FormIndex.htm>
- The purpose of the above passive/indirect means is **CRIMINAL IDENTITY THEFT**: Transporting your identity legally to federal territory not protected by the Constitution:
Government Identity Theft, Form #05.047
<http://sedm.org/Forms/FormIndex.htm>
- Why do they have to kidnap your identity? Because they can't lawfully offer taxable government franchises within Constitutional states of the Union per the License Tax Cases. See:

Ways to alienate rights per the U.S. Supreme Court

1. Seeking the “benefits” or protections of any CIVIL statute waives constitutional protections:

The Court developed, for its own governance in the cases confessedly within its jurisdiction, a series of rules under which it has avoided passing upon a large part of all the constitutional questions pressed upon it for decision. They are:

[. . .]

6. The Court will not pass upon the constitutionality of a statute at the instance of one who has availed himself of its benefits. [FN7 Great Falls Mfg. Co. v. Attorney General, 124 U.S. 581, 8 S.Ct. 631, 31 L.Ed. 527; Wall v. Parrot Silver & Copper Co., 244 U.S. 407, 411, 412, 37 S.Ct. 609, 61 L.Ed. 1229; St. Louis Malleable Casting Co. v. “It is not open to question that one who has acquired rights of property necessarily based upon a [CIVIL] statute [\[Form #05.037\]](#) may not attack that statute as unconstitutional, for he cannot both assail it and rely upon it in the same proceeding. *528 [Hurley v. 2. Seeking or pursuing government franchises waives common law protections:

"The words "privileges" and "immunities," like the greater part of the legal phraseology of this country, have been carried over from the law of Great Britain, and recur constantly either as such or in equivalent expressions from the time of Magna Charta. For all practical purposes they are synonymous in meaning, and originally signified a peculiar right or private law conceded to particular persons or places whereby a certain individual or class of individuals was exempted from the rigor of the common law. Privilege or immunity is conferred upon any person when he is invested with a legal claim to the exercise of special or peculiar rights, authorizing him to enjoy some particular advantage or exemption."

3. Allowing government to kidnap your legal identity by deception, “words of art”, and “equivocation can accomplish EITHER of the previous two situations and remove your UNALIENABLE rights completely from the protections of BOTH the CONSTITUTION and the COMMON LAW. Watch out! See:

Ways to alienate rights per the U.S. Supreme Court

[TITLE 50](#) > [CHAPTER 23](#) > [SUBCHAPTER IV](#) > Sec. 841.
[Sec. 841. - Findings and declarations of fact](#)

The Congress finds and declares that the Communist Party of the United States [consisting of the IRS, DOJ, and a corrupted federal judiciary], although purportedly a political party, is in fact an instrumentality of a conspiracy to overthrow the [de jure] Government of the United States [and replace it with [a de facto government ruled by the judiciary](#)]. It constitutes an authoritarian dictatorship [IRS, DOJ, and corrupted federal judiciary in collusion] within a [\[constitutional\] republic](#), demanding for itself the rights and [\[FRANCHISE\] privileges](#) [including immunity from prosecution for their wrongdoing in violation of [Article 1, Section 9, Clause 8 of the Constitution](#)] accorded to political parties, but denying to all others [the liberties \[Bill of Rights\] guaranteed by the Constitution \[Form #10.002\]](#). Unlike political parties, which evolve their policies and programs through public means, by the reconciliation of a wide variety of individual views, and submit those policies and programs to the electorate at large for approval or disapproval, the policies and programs of the Communist Party are secretly [by corrupt judges and the IRS [in complete disregard of](#), Form #05.014, the [tax franchise "codes"](#), Form #05.001] prescribed for it by the foreign leaders of the world Communist movement [the IRS and Federal Reserve]. Its members [the Congress, which was terrorized to do IRS bidding by the framing of [Congressman Traficant](#)] have no part in determining its goals, and are not permitted to voice dissent to party objectives. Unlike members of political parties, members of the Communist Party are recruited for indoctrination [in [the public FOOL system](#) by homosexuals, liberals, and socialists] with respect to its objectives and methods, and are organized, instructed, and disciplined [by the IRS and a corrupted judiciary] to carry into action slavishly the assignments given them by their hierarchical chieftains. Unlike political parties, the Communist Party [thanks to a [corrupted federal judiciary](#)] [acknowledges no constitutional or statutory limitations upon its conduct or upon that of its members \[ANARCHISTS!, Form #08.020\]](#). The Communist Party is relatively small numerically, and gives scant indication of capacity ever to attain its ends by lawful political means. The peril inherent in its operation arises not from its numbers, but from its failure to acknowledge any limitation as to the nature of its activities, and its dedication to the proposition that the present constitutional Government of the United States ultimately must be brought to ruin by any available means, including resort to force and violence [or using income taxes]. Holding that doctrine, its role as the agency of a hostile foreign power [the Federal Reserve and the American Bar Association (ABA)] renders its existence a clear present and continuing danger to the security of the United States. It is the means whereby individuals are [seduced \[illegally KIDNAPPED via identity theft!, Form #05.046\] into the service of the world Communist movement \[using FALSE information returns and other PERJURIOUS government forms, Form #04.001\], trained to do its bidding \[by FALSE government publications and statements that the government is not accountable for the accuracy of, Form #05.007\], and directed and controlled \[using FRANCHISES illegally enforced upon NONRESIDENTS, Form #05.030\] in the conspiratorial performance of their revolutionary services. Therefore, the Communist Party should be outlawed](#)

Examples of passive/indirect alienation

1. Excluding PRIVATE or NONRESIDENT statuses on government forms:
 - There is no “nontaxpayer” status on any tax form and not NONRESIDENT NON-PERSON tax form
 - There is no form to report identity theft for those who are the victim of false information returns or withholding documents.
 - IRS won’t help you if you have no “TAXPAYER identification Number” and therefore are a NONTAXPAYER.
 - IRS won’t change the STATUTS of the number to make it a “Nontaxpayer Identification Number” or “Nonresident Nontaxpayer Identification Number”.
2. Excluding PRIVATE or NONRESIDENT parties from statutes. No STATUTORY remedies are provided for “nontaxpayers” other than 26 U.S.C. §7426, and even that statute requires no challenges to the lawfulness of the alleged “tax” or assessment, even if it was a product of CRIME and IDENTITY THEFT.

Examples of passive/indirect alienation

3. Refusing administrative remedies to PRIVATE or NONRESIDENT parties.

- IRS has a “Taxpayer Advocate”, but not “Nontaxpayer advocate”.
- There is no one you can talk to at the IRS if you are a “nontaxpayer” or a victim of identity theft that made you look ILLEGALLY like a “taxpayer”. This could happen if you were FORCED to fill out knowingly false withholding paperwork by a PRIVATE financial institution or PRIVATE employer or are a victim of [FALSE information returns](#) that can’t be filed upon PRIVATE parties. See:

Correcting Erroneous Information Returns, Form #04.001

<http://sedm.org/Forms/FormIndex.htm>

4. Interfering with [common law](#) or constitutional remedies in court or making them more complex or costly than administrative remedies. This DISCRIMINATES against [nonresidents](#) or [nontaxpayers](#) and destroys EQUAL PROTECTION.

- Judges sometimes interfere with invoking the constitution or the common law.
- IRS UNCONSTITUTIONALLY and criminally calls these victims of government identity theft “frivolous”.

Examples of passive/indirect alienation

5. Making administrative personnel unaccountable or anonymous. This encourages them to do anything they want and disregard the constraints of the law.

- IRS agents don't use their real names.
- IRS agents doing collection are always outside the state they are collecting in so that you can't sue them in state court and are forced into federal court.

Bill of NO Rights

- "We, the sensible people of the United States, in an attempt to help everyone get along, restore some semblance of Justice, avoid any more riots, keep our nation safe, promote positive behavior, and secure the blessings of debt-free liberty to ourselves and our great-great-great-grandchildren, hereby try one more time to ordain and establish some common sense guidelines for the terminally whiny, guilt-ridden, deluded, and other liberal Bed-wetters.
- We hold these truths to be self-evident: that a whole lot of people are confused by the Bill of Rights and are so dim that they require a Bill of No Rights."
- ARTICLE I: You do not have the right to a new car, big screen TV or any other form of wealth. More power to you if you can legally acquire them, but no one is guaranteeing anything.
- ARTICLE II: You do not have the right to never be offended. This country is based on freedom, and that means freedom for everyone - not just you! You may leave the room, change the channel, express a different opinion, etc., but the world is full of idiots, and probably always will be.
- ARTICLE III: You do not have the right to be free from harm. If you stick a screwdriver in your eye, learn to be more careful. Do not expect the tool manufacturer to make you and all your relatives independently wealthy.
- ARTICLE IV: You do not have the right to free food and housing. Americans are the most charitable people to be found, and will gladly help anyone in need, but we are quickly growing weary of subsidizing generation after generation of professional couch potatoes who achieve nothing more than the creation of another generation of professional couch potatoes.
- ARTICLE V: You do not have the right to free health care. That would be nice, but from the looks of public housing, we're just not interested in public health care.
- ARTICLE VI: You do not have the right to physically harm other people. If you kidnap, rape, intentionally maim, or kill someone, don't be surprised if the rest of us want to see you fry in the electric chair.
- ARTICLE VII: You do not have the right to the possessions of others. If you rob, cheat or coerce away the goods or services of other citizens, don't be surprised if the rest of us get together and lock you away in a place where you still won't have the right to a big screen color TV or a life of leisure.
- ARTICLE VIII: You don't have the right to demand that our children risk their lives in foreign wars to soothe your aching conscience. We hate oppressive governments and won't lift a finger to stop you from going to fight if you'd like. However, we do not enjoy parenting the entire world and do not want to spend so much of our time battling each and every little tyrant with a military uniform and a funny hat.
- ARTICLE IX: You don't have the right to a job. All of us sure want all of you to have one, and will gladly help you along in hard times, but we expect you to take advantage of the opportunities of education and vocational training laid before you to make yourself useful.
- ARTICLE X: You do not have the right to happiness. Being an American means that you have the right to *pursue* happiness -- which, by the way, is a lot easier if you are unencumbered by an overabundance of idiotic laws created by those of you who were confused by the Bill of Rights.
- [The Bill of No Rights, SOURCE: <http://famguardian.org/Subjects/Politics/Articles/BillOfNoRights.htm>]

Why the “Bill of NO Rights” is necessary

- The Bill of NO Rights is necessary because of the way that the courts have REDEFINED “[Justice](#)”.
- Originally, “[justice](#)” was legally defined as “the right to be LEFT ALONE”.
- In order to promote the evils of [government franchises \(Form #05.030\)](#) and “benefits” and unconstitutionally expand the power of government:
 - “[Justice](#)” has been RE-DEFINED by fiat to mean “give every man his due”
 - Government has become a Robinhood that abuses its taxing power to redistribute wealth ILLEGALLY. Since the taxing power is unlimited, then the ability of the government to redistribute any and all property is unlimited.
 - Political elections have essentially become “auctions” of OTHER people’s property.
 - People have been invited through the polls and the jury box to add ANYTHING they want to the phrase “what is due” in order to abuse the legal system to STEAL property from others and “benefit” themselves with it.
 - Due process is violated because everyone who votes or serves on jury duty who rules on a matter that affects their “benefits” has a criminal conflict of interest and must be recused from serving or convicted of a crime. See 18 U.S.C. §208, 28 U.S.C. §144 and 455.

Don't Be a SLAVE!

- **What is a slave? A SLAVE IS A HUMAN BEING:**
 - Who can be connected with any statutory status in civil franchises or civil law to which public rights attach without their EXPRESS consent. This is a Fifth Amendment taking without compensation, a violation of the right to contract and associate, and a conversion of PRIVATE property to PUBLIC property.
 - Who can't ABSOLUTELY own PRIVATE PROPERTY. Instead, ownership is either exclusively with the government or is QUALIFIED ownership in which the REAL owner is the government and the party holding title has merely equitable interest or “qualified ownership” in the fruits.
 - Who is SOMEONE ELSE'S PROPERTY. That property is called a STATUTORY “person”, “taxpayer” (under the tax code), “driver”, “spouse” (under the family code) and you volunteered to become someone else's property by invoking these statuses, which are government property. All such “persons” are public officers in the government. [Form #05.042](#).
 - Who is compelled to economic or contractual servitude to anyone else, including a government. All franchises are contracts. [Form #05.030](#).
 - Who is compelled to share any aspect of ownership or control of any property with the government. In other words, is compelled to engage in a “moiety” and surrender PRIVATE rights illegally and unconstitutionally.
 - Whose ownership of property was converted from ABSOLUTE to QUALIFIED without their EXPRESS written and informed consent.
 - Who is not allowed to EXCLUDE government from benefitting from or taxing property held as ABSOLUTE title.

Don't Be a SLAVE!

- What is a slave? **A SLAVE IS A HUMAN BEING:**
 - Who is EXCLUDED from holding Title to property as ABSOLUTE or outside the “State”, where “State” means the GOVERNMENT (meaning a CORPORATION FRANCHISE, Form #05.024) and not a geographic place.
 - Who the government REFUSES its constitutional duty to protect the PRIVATE rights or property of (Form #12.038) or undermines or interferes with REMEDIES that protect them from involuntary conversion of ownership from ABSOLUTE to QUALIFIED.
 - Who is compelled to associate PUBLIC property with PRIVATE property, namely Social Security Numbers or Taxpayer Identification Numbers and thereby accomplish a conversion of ownership. SSNs and TINs are what the FTC calls a “franchise mark” (Form #05.012).
 - Whose reservation of rights under U.C.C. 1-308 or 1-207 is interfered with or ignored and thereby is compelled to contract with and become an agent or officer of a government (Form #05.042) using a government application form (Form #12.023).
 - Who isn't absolutely equal (Form #05.033) to any and every government or who is compelled to become unequal or a franchisee (Form #05.030). The basis of ALL your freedom is EQUALITY of rights, as held by the U.S. Supreme Court. See [Form #12.021, Video 1](#).

Summary and Conclusions

- An Unalienable right is one you can't lawfully [consent \(form #05.003\)](#) to give away.
- Unalienable rights, like the Constitution, attach to land, not your [civil status \(Form #13.008\)](#) or even your [domicile \(Form #05.002\)](#).
- Unalienable rights are lost when you:
 - Change your [CIVIL domicile](#) to federal territory or abroad.
 - Work on federal territory or abroad.
- It is a breach of fiduciary duty for a government actor to alienate, buy, or sell UNALIENABLE PRIVATE OR CONSTITUTIONAL rights.
- Governments that make a business out of alienating PRIVATE rights that are supposed to be UNALIENABLE are:
 - Not a government as the Declaration of Independence defines.
 - A de facto government. See [De Facto Government Scam, Form #05.043](#).
 - Operating in a private capacity.
 - Waiving the protections of the Foreign Sovereign Immunities Act in a state of the Union and the Minimum Contacts Doctrine by “purposeful availment”. Government is subject to that act like any other foreign government. If they aren't, then they have granted themselves an unconstitutional “title of nobility”
