

PASSPORT AMENDMENT REQUEST FORM INSTRUCTIONS

Last revised: 5/26/09

1. PURPOSE:

- 1.1. Those who wish to become Members of our Ministry are required by the following document to correct all government records reflecting their citizenship status, including their passport:

Path to Freedom, Form #09.015
<http://sedm.org/Forms/FormIndex.htm>

- 1.2. Unfortunately, some people seeking to become Members or who have already become Members:
- 1.2.1. Already have an existing passport received before discovering our website.
 - 1.2.2. Seek to amend their existing passport without applying for a new one.
- 1.3. This form allows those who already have existing USA passports to update the original application without applying for a new passport in order to develop evidence of their correct citizenship status that they can subsequently use in court.
- 1.4. For additional information about how to apply for a passport as a “state national” and how to use this form, see Section 7 of the following article:

Getting a USA Passport as a “state national”, Form #09.007
<http://sedm.org/Forms/FormIndex.htm>

- 1.5. **NOTE:** Do not use form DS-19 with this application. Use of that form was discontinued in 2005. The proper procedure to update passports is found at:
http://travel.state.gov/passport/get/fee/fee_2654.html

2. PROCEDURE FOR USE:

- 2.1. The form is electronically fillable with the free Adobe Acrobat Reader available below. Please download and install the latest version of the program:
<https://get.adobe.com/reader/>
- 2.2. If you want to obtain a copy of the original passport application, the instructions for doing so are found at:
- 2.2.1. INSTRUCTIONS: <http://famguardian.org/TaxFreedom/Instructions/3.13ObtainingPassportRecords.pdf>
(OFFSITE LINK)
 - 2.2.2. FORM: <http://famguardian.org/TaxFreedom/Forms/Emancipation/DOS-CertDS11.htm>
- 2.3. Fill in the return address and date on the cover letter with yours.
- 2.4. Fill in the destination address on the cover letter off the Department of State Website:
<http://www.state.gov/>
- 2.5. Fill in the name at the end of the cover letter.
- 2.6. Print out the document on double-sided paper to keep the size down.
- 2.7. Obtain a photocopy of your current USA passport, preferably in full color. Attach behind the cover page for Enclosure (1).
- 2.8. Download and print the following form and attach behind the cover page for Enclosure (2):
USA Passport Application Attachment, Form #06.007
<http://sedm.org/Forms/FormIndex.htm>
- 2.9. Find a Postal Annex or UPS Store that has two people on duty, one of which is a notary and the other the Mail Server who will mail the item and complete the Certificate of Service.
- 2.10. In the presence of the Notary and using blue (not black) ink, sign section 3 of the document and the end of Enclosure (2).
- 2.11. Have the Mail Server fill out the attached Certificate of Service and sign it. Make sure item 2 includes the addresses where the items are mailed, as indicated in the Cover Letter.
- 2.12. Have the Notary fill out the Notary Public Jurat at the end of the Certificate of Service, which authenticates the identity of the Mail Server.
- 2.13. Make one copy of the entire package, including:
- 2.13.1. Cover letter
 - 2.13.2. Enclosure (1): Photocopy of Current Passport
 - 2.13.3. Enclosure (2): USA Passport Application Attachment
- 2.14. Have the Mail Server put the copy into the envelope, and then seal the envelope and personally drop them into the mail.

2.15. Keep the original for yourself and make several copies. You also might want to record the original with the County Recorder so that it becomes a public record which is automatically admissible as evidence in any court trial. The reason is that under [Federal Rule of Evidence 902](#), public records are not subject to the Hearsay Rule.

2.16. Another version of this form is available at:

Sovereignty Forms and Instructions Online, Form #10.004, Form 4.36.

<http://famguardian.org/TaxFreedom/Forms/Emancipation/PassportAmendReq.htm>

3. **PROTECT YOUR LEGAL EVIDENCE.** Keep the original in a safe place locked up, preferably away from your house so that it may not be seized. Also, scan it in as a full color PDF and make backups you keep in several locations. One of the first things a judge will do if you want the document admitted as evidence in a legal trial is ask about the chain of custody of the document and whether it has remained under your own control at all times so that there is an assurance that it was not tampered with. Dear Sir,

1 PURPOSE:

This correspondence constitutes a correction/amendment to the original DS-11 passport application which gave rise to the issuance of the passport described in Enclosure (1). I am providing this information because:

1. I want to ensure that the records you have about me are as complete, accurate, and unambiguous as humanly possible.
2. The original DS-11 passport application form submitted to you which gave rise to my current passport (check all that apply):
 - 2.1. ☐ Contained information that I now know, based on subsequent legal research AFTER submitting it, is either inaccurate or which could encourage or condone false presumptions about my legal status that might have criminal consequences.
 - 2.2. ☐ Contained a mandatory attachment and information that was accurate, and you indicted that you either might remove the attachment or redact information from the attachment, which action would cause the application to be perceived as incomplete or inaccurate, and which also renders the entire application void per the attachment. Hence, I am sending this separate correspondence to produce legal evidence of your witness tampering and to ensure that it is included and associated with the original application.
3. I want to avoid any possibility of ever being accused of committing perjury on the passport application, and avoid any adverse consequences arising from conflicts between the status or information I claim in current/recent government correspondence and forms, and the status I mistakenly and unknowingly claimed at the time the original DS-11 was submitted.
4. To ensure that I am not held to a higher standard of accountability than the government itself on forms which I have previously submitted to the government. The government almost never authenticates its correspondence under penalty of perjury.

2 ACTION PROMPTLY REQUESTED OF YOU

Please promptly:

1. Permanently attach and associate this correspondence and all enclosures with the original DS-11 passport application in order to ensure that my original application is not misconstrued, censored, or viewed as inaccurate.
2. Remove any government identifying numbers associated with my name, including Taxpayer Identification Numbers (TINs) and Social Security Numbers. I AM NOT eligible and never have been eligible for any government identifying numbers and any numbers in your possession are NOT my number, but instead belong to the government. It is a CRIME to use such public property for a private use or private purpose, and I was a private person not engaged in federal franchises at the time I made application for a passport. See and rebut ALL of the following promptly if you disagree:
 - 2.1. *Resignation of Compelled Social Security Trustee*, Form #06.002.
<http://sedm.org/Forms/FormIndex.htm>
 - 2.2. *Why it Is Illegal for Me to Request or Use a "Taxpayer Identification Number"*, Form #04.205
<http://sedm.org/Forms/FormIndex.htm>
 - 2.3. *Why You Aren't Eligible for Social Security*, Form #06.001
<http://sedm.org/Forms/FormIndex.htm>
3. Change my citizenship status in your records from that of a statutory "U.S. citizen" per 8 U.S.C. §1401 to that described in Enclosure (2).

4. Update my parent's citizenship status indicated in block 10 of the DS-11 form from STATUTORY "U.S citizens" to statutory "non-resident non-person" pursuant to 8 U.S.C. §1101(a)(21) .
5. If you dispute or have doubts about anything in this correspondence, please read and then respond with a detailed rebuttal signed under penalty of perjury to:
 - 5.1. Anything you disagree with in this correspondence.
 - 5.2. Anything referenced in this correspondence.
 - 5.3. Anything inaccurate in the following, and especially the questions at the end of the following:
Why You Are a "national", "state national", and Constitutional but not Statutory Citizen, Form #05.006
<http://sedm.org/Forms/FormIndex.htm>

I ask that in responding to this correspondence, you avoid the temptation to:

1. Make legal determinations about my status. I do not authorize you to practice law on my behalf or to tell me either what I AM or what I am NOT. The status I claim is an exercise of my protected First Amendment right of freedom of association and you may not interfere with the exercise of that right by telling me how, or under what circumstances, I choose to politically associate or disassociate with a specific political group called a "state" or government.
2. Label anything within this correspondence as "frivolous". For the purposes of your response to all correspondence or forms originating from me, that word shall mean "truthful, accurate, and consistent with prevailing law". I emphasize that you are a public servant and I am the public. You serve me and I have a right to expect that you will help me comply with the requirements of law by citing HOW to comply, not why you don't like my sincere efforts to comply.
3. Try to compel me to participate in federal franchises such as Social Security, Medicare, Unemployment, or the "trade or business" franchise that is the heart of the income tax. It is a criminal violation of the separation of powers and the Thirteenth Amendment to offer or enforce government franchises to those domiciled outside of federal territory or those not ALREADY lawfully employed with the federal government as public officers BEFORE they filled out any tax or passport form. See 18 U.S.C. §911 and the rebut the following and the questions at the end of the following if you disagree:
Government Instituted Slavery Using Franchises, Form #05.030
<http://sedm.org/Forms/FormIndex.htm>

I emphasize that the original DS-11 form constitutes "testimony of a witness" because signed under penalty of perjury and that a failure to add this correspondence in its entirety to the original DS-11 application submitted for my current passport will result in the following crimes on your part and/or make you a willful accessory to such crimes:

1. Perjury. 18 U.S.C. §1001, 18 U.S.C. §1621.
2. False statements on a passport. 18 U.S.C. §1542
3. Subornation of perjury. 18 U.S.C. §1622.
4. Misprision of felony. 18 U.S.C. §4. You are required as a public officer to report any and all crimes indicated above that are caused by an omission or inaction on your part.

You have 30 days to respond to and rebut this correspondence. Beyond that point, each item not so rebutted:

1. A default and equitable estoppel pursuant to Fed.Rul.Civ.P. 8(b)(6).
2. An admission of everything not expressly rebutted.

A response not signed under penalty of perjury or signed without the real legal birthname, work address (NOT PO BOX), phone number, and place where you can be served with legal papers shall constitute a non-response for the purposes of this correspondence. You have absolutely no business telling me that I am wrong if you refuse to take complete, exclusive, and personal legal responsibility for your statements and actions. Every time I correspond with you on a government form, I have to sign it under penalty of perjury and you have to abide by the same rule. Otherwise, an unconstitutional "title of nobility" has been illegally conferred and the requirement for equal protection that is the foundation of the Constitution has been violated.

3 AFFIRMATION

I certify under penalty of perjury from without the "United States" and from within the "United States of America", a foreign state and a foreign sovereign pursuant to 28 U.S.C. §1746(1) and 28 U.S.C. §1605 that this correspondence and all enclosures are true, correct, and complete to the best of my ability when accompanied by the original DS-11. I also certify that my

1 original DS-11 was not knowingly false at the time I submitted it may be wrongfully construed as false if it is not promptly
2 updated as indicated by this enclosure.

3 Very Respectfully,

4
