NOTES:

1. Columns 1 and 2 above contain a link to the materials from the original [We The People Truth in Taxation Hearing](#) held on 27-28FEB 2001 at the Washington Marriott in Washington, D.C. These materials are available for purchase at <http://www.bostontepartyii.org/>
2. Sections without transcripts appearing in column 1 above were not asked during the hearing because not enough time was available to address them. Nevertheless, the questions and evidence were prepared for the hearing and are included for completeness.
3. Columns 3 and 4 above contain a link to the appropriate section of the [Tax Deposition Questions](#) found on the Family Guardian Website at <http://famguardian.org>. This list of questions and evidence is a superset of the original WTP hearing questions and contains all the original WTP questions plus an additional 143 questions written by Chris Hansen, who was one of the two questioners at the original hearing.
4. The [Tax Deposition Questions](#) have been considerably expanded and improved from the original WTP questions to add far more explanatory information and more evidence.
