Below is a current summary of taxes now due. The amount due includes penalty and interest projected to the payment due date. If you pay in full before the payment due date, your account may result in a credit balance, which will then be subject to our refunding process. A Detail of Account is enclosed on the following page above the payment voucher.

If we do not hear from you or receive payment by the payment due date above, collection actions may begin without further notice to you. These actions may include but are not limited to, serving a levy, filing a civil suit, garnishing of applicable wages, and seizure and foreclosure proceedings. A State Tax Lien may also be filed in order to protect the State's interest. We would appreciate your immediate attention in resolving your outstanding liability to avoid collection actions by paying your outstanding balance in full or contacting the Oahu District Office.
