

# ***REQUEST FOR NUMIDENT PRINTOUT***

Last revised: 03/22/18

## **1. PURPOSE:**

This is a Privacy Act (PA) request to obtain the NUMIDENT record for the Social Security Number that was illegally issued to a member or a prospective member. It is useful:

- 1.1. To obtain the issue date of the SS Card.
- 1.2. To destroy inaccurate and illegal records SSA has been maintaining on the submitter.
- 1.3. To produce evidence useful in court identifying the number owners as the Social Security Commissioner and not you.
- 1.4. As a preparation for sending in the Resignation of Compelled Social Security Trustee, Form #06.002. It is not absolutely necessary that you have the NUMIDENT record to send in Form #06.002, but it can be helpful.

This is NOT a Freedom of Information Act (FOIA) request under 5 U.S.C. §552, but a Privacy Act (PA) Request under Privacy Act, 5 U.S.C. §552a. If you identify this request as a FOIA, they may reject it and not provide the information requested. The fact that SSA CALLS the request a FOIA reveals that they regard you as requesting information about YOU as a federal instrumentality, rather than YOU as a private human. This is DECEPTIVE.

## **2. PROCEDURE FOR USE:**

- 2.1. The destination address to send Privacy Act requests can change. It is best to verify that the address included is still accurate. The latest information about FOIA relating to the Social Security Administration can be found at:  
<https://www.ssa.gov/foia/request.html>
- 2.2. Fill in your personal information in the boxes provided.
- 2.3. Fill in the payment information at the end.
- 2.4. Sign and date the form.
- 2.5. Print out and complete the following in combination with this:  

<i>Certificate/Proof/Affidavit of Service</i> , Form #01.002 <a href="https://sedm.org/Forms/01-General/CertificateOfSvc.zip">https://sedm.org/Forms/01-General/CertificateOfSvc.zip</a>
---
- 2.6. Make copies of the original and send the copy. Keep the original for your records.
- 2.7. Mail the form.

## **3. PROTECT YOUR LEGAL EVIDENCE.**

Keep the original in a safe place locked up, preferably away from your house so that it may not be seized. Also, scan it in as a full color PDF and make backups you keep in several locations. One of the first things a judge will do if you want the document admitted as evidence in a legal trial is ask about the chain of custody of the document and whether it has remained under your own control at all times so that there is an assurance that it was not tampered with. ## Request for Numident Printout Record

To: Social Security Administration  
OEIO FOIA Workgroup  
6100 Wabash Ave.  
P.O. Box 33022  
Baltimore, MD 21290-3022

### 1 Request for Privacy Act Records

This correspondence constitutes a formal request under the Privacy Act (PA), [5 U.S.C. §552a](#) to obtain any and all records relating to the referenced account as described below:

1. Please include:
  - a. The Original Record: \$30.
  - b. The Numident Record: \$28
2. I am requesting copies of records in lieu of personal inspection of the requested records.
3. REGARDLESS of the type of record maintained, you are REQUIRED by the Privacy Act to disclose it to me.
4. I understand the penalties provided in [5 U.S.C. §552a\(i\)\(3\)](#) for requesting or obtaining access to records under false pretenses.
5. This is NOT a Freedom of Information Act (FOIA) request under [5 U.S.C. §552](#).
6. I am attesting under the penalty of perjury under the laws of the United States of America 28 U.S.C. §1746(1) and from without the "United States", that:
  - a. I am the ONLY human being who could possibly be described by the erroneous and false records requested, even though they are being illegally maintained, in violation of my Fourth Amendment rights, and without my consent.
  - b. The information and facts identified herein are true and correct to the best of my ability.
7. I certify that I was ineligible at the time the SS-5 application was submitted and continue to be ineligible under the [Social Security Act, 42 U.S.C. Chapter 7](#). Consequently, I am trying to prevent a FRAUD upon myself and a fraud upon the Social Security Administration in either paying into or collecting any money.
8. The Citizenship Profile Code (CSP) associated with the Record should be "D" and NOT "A", meaning OTHER. If it indicates "A", the record is in error and should be corrected because you have me confused with someone domiciled on federal territory. This has been the case from the time application was made to the present time.
9. I understand that any false representation to knowingly and willfully obtain information from Social Security records is punishable by a fine of not more than \$5,000 or one year in prison.
10. I also understand AND YOU SHOULD TOO that the same \$5,000 penalty for false representation applies to the FALSE records YOU are maintaining which indicate eligibility to participate.
11. I DO NOT consent to the sharing of this information with any other agency or person within the national government who is outside the Social Security Administration.

Below is the information needed to retrieve the false and inaccurate information records which are requested by this communication:

**2 Request to destroy any records maintained without my consent BEFORE responding to this request for records remaining AFTER destruction**

1. Pursuant to the Privacy Act, 5 U.S.C. §552a(b), you must have my consent to disclose records about me and you do not have my consent for anyone other than me to obtain them or use them for a commercial or civil enforcement purpose, since I am a nonresident who does not consent to do any business with you or have my identity used for a commercial purpose by you.
2. You do not have my permission to maintain ANY records about me, and especially not in the context of any office or employment within ANY government, state or federal, regulated under 20 CFR. The maintenance of any such records is a violation of my Fourth Amendment right to privacy and legally admissible evidence of criminal identity theft on your part
3. Because you do NOT have my consent to maintain such records and doing so is a violation of my privacy, **I hereby request that you:**
  - 3.1. **Provide a copy of the original SS-5 record BEFORE destruction in your response.**
  - 3.2. **Destroy ALL Social Security records about me after sending the original SS-5 record to me.**
  - 3.3. **Retain all records about money paid to you by me or on behalf of me because it was paid illegally, under duress.**
  - 3.4. **Return all monies paid to you by me through involuntary and ILLEGAL payroll withholding.**

*California Civil Code Section 2224*

*"One who gains a thing by fraud, accident, mistake, undue influence, the violation of a trust, or other wrongful act, is, unless he or she has some other and better right thereto, an involuntary trustee of the thing gained, for the benefit of the person who would otherwise have had it."*

**If you do not do the above, you are in violation of the Privacy Act, and ESPECIALLY any and all so-called "benefits". It is ILLEGAL to offer "benefits" in states of the Union.**

4. The term "taxpayer" and "person" within the Internal Revenue Code is synonymous with a public office in the national but not state government exercised in a federal enclave and domiciled on federal territory under 4 U.S.C. §72. I was never lawfully

elected or appointed to serve within and DO NOT serve within said government for the periods in question, and therefore am a victim of criminal identity theft on your part if you DO NOT correct the records as required by 5 U.S.C. §552a(d)(2). See:

4.1. *Identity Theft Affidavit*, Form #14.020

[https://sedm.org/Forms/14-PropProtection/Identity\\_Theft\\_Affidavit-f14039.pdf](https://sedm.org/Forms/14-PropProtection/Identity_Theft_Affidavit-f14039.pdf)

4.2. *The "Trade or Business" Scam*, Form #05.001

<https://sedm.org/Forms/05-MemLaw/TradeOrBusScam.pdf>

5. This submission is a request under the Privacy Act for any and all records connected to the all caps name that you have NOT honored my request to DESTROY. As such, it is provided to document CRIME on your part, which certainly DOES NOT fall within the auspices of a "routine use", but a LAW ENFORCEMENT use. It will be used as evidence of criminal attempts by you to violate my privacy and commit identity theft as described in:

*Government Identity Theft*, Form #05.046

<https://sedm.org/Forms/FormIndex.htm>

<https://sedm.org/Forms/05-MemLaw/GovernmentIdentityTheft.pdf>

6. Because these records are being requested for a law enforcement use, any and every attempt to interfere with their disclosure as the main party affected by their maintenance hereby constitutes:

6.1. Criminal witness tampering. I am the party adversely affected by these knowingly false records, I am a witness to federal crimes they are evidence of, and their maintenance constitutes an attempt to influence and coerce me to criminally impersonate a public officer, which is also a crime.

6.2. Obstruction of justice.

7. The provisions of law applicable to the unauthorized use or commercial use of my personally identifying information are covered by the following, which you expressly consent to by virtue of maintaining any and all records about me:

*Privacy Agreement*, Form #06.014

<https://sedm.org/Forms/FormIndex.htm>

<https://sedm.org/Forms/06-AvoidingFranch/PrivacyAgreement.pdf>

Your response to this request should include a list of records destroyed or no longer in existence because they were destroyed in response to this request. Anything in this correspondence not EXPRESSLY rebutted under penalty of perjury with evidence shall be deemed admitted for all future interactions in court relating to the false records you are maintaining. [Federal Rule of Civil Procedure 8\(b\)\(6\)](#).

A failure to destroy or any effort to retain any records about me, to put them to commercial use, or to disclose them to any third party, government or other agency including the Internal Revenue Service shall result in constructive consent to obey the following license agreement government commercial or beneficial use of information about me:

*Injury Defense Franchise and Agreement*, Form #06.027

<https://sedm.org/Forms/06-AvoidingFranch/InjuryDefenseFranchise.pdf>

### **3 Consequence of providing NO RECORDS in response to this request**

In the event that you respond to this request with NO RECORDS, such an action shall constitute legal evidence and a formal admission by you that:

1. Any records that match my name are not me as a human being.
2. I do not consent to the obligations of a civil statutory "taxpayer" or "person".
  - 2.1. You have no lawful authority to write statutory definitions that affect OTHER people's private, constitutionally protected property without either proving they consented in a way they specify or proof that you have an ownership in the property affected.
  - 2.2. If you disagree about my civil statutory status as a "taxpayer" or "person", please provide in your response either WRITTEN express and voluntary consent to assume the duties of a civil statutory "person" or "taxpayer" or proof of an ownership interest in my private, constitutionally protected property.
3. The records relate to the OWNER of the franchise mark, which is the Social Security Number. That owner is the Commissioner of Social Security under 26 C.F.R. §422.103(d) and the information printed on the back of the card, who is also personally responsible for all injuries that property might inflict to my absolutely owned private property.

*"A franchise entails the right to operate a business that is "identified or associated with the franchisor's trademark, or to offer, sell, or distribute goods, services, or commodities that are identified or associated with the franchisor's trademark." The term "trademark" is intended to be read broadly to cover not only trademarks, but any service mark, trade name, or other advertising or commercial symbol. This is generally referred to as the "trademark" or "mark" element.*

The franchisor [the government] need not own the mark itself, but at the very least must have the right to license the use of the mark to others. Indeed, the right to use the franchisor's mark in the operation of the business - either by selling goods or performing services identified with the mark or by using the mark, in whole or in part, in the business' name - is an integral part of franchising. In fact, a supplier can avoid Rule coverage of a particular distribution arrangement by expressly prohibiting the distributor from using its mark."

4. Any attempts to enforce against me personally are a product of the crimes documented in:
