Dear Taxpayer:

We received the Form W-2 for your income tax return, Form 1040, for the tax period ending Dec. 31, 2020, but we can't locate the return itself. We can't process the Form W-2 without the original return.

Mail us a newly signed and dated copy of your original return, including Form(s) W-2, Wage and Tax Statement, and all required schedules and attachments. If you filed jointly with your spouse, he or she must also sign the return. Verify the address on your return is your current address. If you paid tax with the original return, include copies of both sides of your canceled check. If you still owe tax, please include your payment. Make your check or money order payable to the United States Treasury and provide on each payment your:
