

CORRECTED IRS FORM 1099 ATTACHMENT

Reason for this submittal:

The reason this corrected form is being provided is because:

1. The person about whom the original false 1099 was filed is a "nonresident alien", domiciled outside of the "United States" and who has no earnings connected with a "trade or business" in the United States.
2. Only earnings connected with a "trade or business" are reportable on a 1099. The IRS 1099-MISC instructions say this:

***"Trade or business reporting only.** Report on Form 1099-MISC only when payments are made in the course of your trade or business. Personal payments are not reportable. You are engaged in a trade or business if you operate for gain or profit. However, nonprofit organizations are considered to be engaged in a trade or business and are subject to these reporting requirements. Nonprofit organizations subject to these reporting requirements include trusts of qualified pension or profit-sharing plans of employers, certain organizations exempt from tax under section 501(c) or (d), and farmers' cooperatives that are exempt from tax under section 521. Payments by federal, state, or local government agencies are also reportable."*

3. The organization issuing the original 1099 is also a "nonresident alien" domiciled outside of the "United States", but through either fraud or mistake or through duress or false statement on the part of the IRS, refuses to acknowledge that fact or rebut the overwhelming evidence that they are simply WRONG. The organization has also refused to honor my wishes by not submitting the form 1099 after being explicitly told that I am not engaged in a "trade or business". This has prejudiced my rights and created false presumptions on the part of the recipients of this form which I insist on correcting so as to protect my Constitutional rights.

If you disagree, please rebut the overwhelming evidence below within ten days. Any admissions you do not address shall be admitted and a failure to timely respond within that time period shall constitute a "nihil dicit" judgment and a default on the part of the recipient of this submission.
