<u>COPYRIGHT/SOFTWARE LICENSE AGREEMENT</u>: Use of this document or our web site or any of the materials found on the website constitutes an implied and mandatory agreement by the user to:

- Never use the information contained in this document to accomplish an unlawful purpose.
- 2. Never register a complaint about this website or its contents to any law enforcement or government organization.
- 3. Never provide evidence about their experiences to law enforcement or government that might be used to prosecute or punish us.
- 4. Compensate the author in full for legal and attorney fees and personal time associated with defending himself against any complaints registered by or evidence provided by the user to either government or law enforcement regarding this website, the materials on it, or any communications with us.
- 5. Substitute himself/herself as being liable for any judgments against this ministry or its agents relating to complaints filed by him/her or evidence provided by him/her to third parties or litigation initiated by him/her which result in prosecution of this ministry or its agents.
- 6. If any evidence or information is used from this book in a court trial, then the party to the suit calling the witness AND the witness submitting it to any court stipulates with the Ministry as a condition of the copyright license, pursuant to Fed.Rul.Civ.Proc. 29 and the Federal Rules of Criminal Procedure:
  - 6.1. To admit THE ENTIRE website into evidence (except the rebuttal letters), including but not limited to the <u>Tax</u> <u>Deposition CD</u>, the <u>Family Guardian Website DVD</u>, the <u>Great IRS Hoax book</u>, etc.. No part of the website can be admitted without the ENTIRE website also being admitted and subject to examination by the jury.
  - 6.2. That everything contained on this website is factual, truthful, actionable, and accurate IN THEIR CASE but not in the case of any other Member or officer of the Ministry.
  - 6.3. To take complete and personal and exclusive responsibility for all consequences arising out of the nature of evidence they provide as being factual or actionable.
- 7. Agree never to refer to anything on this website as an "investment", "tax shelter", "business", or "trade or business" as defined in the Internal Revenue Code, or anything other than religious worship. None of the donations made to this ministry are refundable, and therefore they cannot be referred to as "investments", nor are ministry offerings available to "taxpayers", who are the only proper audience for "tax shelters" to begin with.
- 8. If any litigation results from the materials or information offered here, users agree:
  - 8.1. To litigate ONLY in a state court WITH a jury trial under the laws of the state and not the federal government, and to allow the jury to rule on BOTH the facts AND the law. No member of the jury or the judge may be either a "taxpayer", a "U.S. citizen" under 8 U.S.C. §1401, or be in receipt of any government benefit, to ensure that the trial is completely impartial.
  - 8.2. That if the party using the materials from this publication or the Family Guardian website for litigation is any state or federal government, then they stipulate with the accused party to answer the <a href="Tax Deposition Questions">Tax Deposition Questions</a> in their entirety on a signed affidavit, and to provide at least an "Admit" or "Deny" answer to each question. Any question not answered by the government or its agents shall be deemed to be "Admit". They also stipulate to admit their response to the questions into evidence in any trial involving this website or the activities of the ministry or its officers, volunteers, or members.
  - 8.3. None of the persons called as witnesses by either side at any trial involving this ministry may work for the federal or state government, receive retirement benefits from the government, receive financial benefits of any kind from the government, nor be "taxpayers", "U.S. citizens", or "U.S. residents". This will ensure that the all witnesses called will be completely objective, neutral, and unbiased.
  - 8.4. Users and readers of our materials stipulate that their duty and allegiance to abide by this agreement is <u>superior to</u> their employment duties and any other agency they may claim to be exercising. Judicial, sovereign, or official immunity are therefore subordinate to the terms of this agreement. Readers and users of our materials agree that any and all lawsuits in which they are participants acting by or for or as witnesses for the Plaintiff shall be deemed to be filed by them personally, regardless of the party which they claim to be representing or which is named on the Complaint. For instance if a government attorney named "John Doe" quotes or uses our licensed materials in any legal proceeding in which he or she is the Plaintiff or an agent for the Plaintiff, and files the lawsuit in the name of the "United States", this agreement stipulates that the definition of "United States" or "United States of America" shall instead mean "John Doe" and John Doe stipulates that he is acting by and on his own behalf and not on the behalf of the government of the states united by and under the Constitution of the United States of America. This will ensure that the plaintiff or prosecuting attorney does not try to claim that he had no authority to bind the U.S. government to abide by this agreement. An important implication of this provision is that if John Doe prosecutes this case on paid time for the U.S. Government, then he can and will be

fired and disciplined for conducting private business on company time.

9. Users who violate this copyright license agreement, who work either directly for the government in the legal or tax profession or as contractors for these functions, and who participate as either witnesses, informants, or representatives in any litigation directed against this ministry or its volunteers or members agree to a personal liability/fine of \$300,000 payable out of their private funds and which they agree NOT to accept reimbursement for from the government. Payment shall occur BEFORE any trial is heard which involves them and is against this ministry.

- 10. Always use the very latest version of any information and this agreement provided on this website in any litigation, and to dispose of and stipulate NOT to admit into evidence any information that it older. They agree to apply the current terms of this agreement retroactively to any behavior of theirs that might adversely affect this website or ministry, and especially in respect to any litigation they might initiate or become involved in that is against this ministry, its agents, or participants. Ministry reserves the right to modify the terms of this agreement without notice to User and User waives the right to complain about or challenge this provision.
- 11. Bring any false statements or suggestions to do any illegal activity noted on this website or in any of our statements to our attention immediately at the time noticed and give us an opportunity to remedy it BEFORE pursuing any litigation or injunctions against us because any information provided is false. If we are physically able to correct the erroneous or illegal information, then we will do so immediately, provided that your comments are accompanied with credible, admissible evidence that the information provided is wrong. If this requirement is not heeded by the reader, then the reader agrees to:
  - 11.1. Forfeit 50% of their pay as a federal public servant for the remainder of their life, and donate it to this ministry to help those who have been hurt by your failure to correct erroneous information provided on this website. This is in satisfaction of the IRS website's Mission Statement, which says in <a href="IRM Section 1.1.1.1">IRM Section 1.1.1.1</a> that the mission of the IRS is to "Provide Americas taxpayers top quality service by helping them [correctly] understand and meet their tax responsibilities with integrity and fairness all."
  - 11.2. Pay the author \$10,000,000 prior to any litigation relating to false statements on this website and to not testify at all if they cannot pay the damages.
- 12. Never abuse the materials provided on this website by violating any enacted positive law which applies within the jurisdiction where you are situated or domiciled and to take full and complete and exclusive and personal responsibility for the consequences of any violations of law that might occur by virtue of using the materials posted on this website.
- 13. If readers find anything in any our publications which conflict with other information on this website or which conflicts with itself, you agree to presume that what is written is fiction and bring it to our attention immediately so that we may promptly correct the conflict. This applies even to conflicts that a reader was not aware of at the time they first read something.

The purpose of the above license agreement is not to condone or allow unlawful behavior of any kind by this website, but instead to:

- 1. Protect the First Amendment rights of the author.
- Discourage and prevent anti-whistleblowing activity on the part of public servants directed against this website.
- 3. Further the ends of <u>liberty</u> and <u>justice</u> for ALL, which is the sole function of this website and the object of our pledge of allegiance.
- 4. Help eliminate ignorance, fear, and presumption of the average American towards the legal and judicial process through education and personal empowerment.
- 5. Encourage you, the reader, to take complete and exclusive and personal responsibility for yourself and to prevent you from transferring that responsibility in any form to us. It would be completely hypocritical of us to on the one hand say we want to encourage personal responsibility, but then on the other hand tell people that they can transfer any part of the responsibility for themselves, their lives, or their choices to us.
- 6. Provide strong protections for you and your Fourth Amendment privacy and personal data by ensuring that our organization is never infiltrated by government moles who mean to do anyone harm.
- Ensure that we are LEFT ALONE, which the Supreme Court has unequivocally ruled is a Constitutional Right:

"The makers of our Constitution undertook to secure conditions favorable to the pursuit of happiness. They recognized the significance of man's spiritual nature, of his feelings and of his intellect. They knew that only a part of the pain, pleasure and satisfactions of life are to be found in material things. They sought to protect Americans in their beliefs, their thoughts, their emotions and their sensations. They conferred, as against the Government, the right to be let alone - the most comprehensive of rights and the right most valued by civilized men."

[Olmstead v. United States, 277 U.S. 438, 478 (1928) (Brandeis, J., dissenting); see also Washington v.

Harper, 494 U.S. 210 (1990)]

Therefore, it cannot be said that the above license agreement has any illegal purpose whatsoever that might render it unenforceable in a court of law.

**<u>DISCLAIMER</u>**: The content of this disclaimer supersedes and is controlling over every other page, file, electronic book, video, or audio available in this book or the website it appears on.

All information contained in this book in its entirety, along with any communications with, to, or about the author(s), website administrator, and owner(s) constitute religious and political beliefs, and not facts. As such, nothing on this website is susceptible to being truthful, true, or false, or legally "actionable" in any manner. Nothing here can be classified as fact without violating the First Amendment rights of the author(s). It is provided for worship, education, enlightenment, and entertainment and for no other purpose. Any other use is an unauthorized use for which the author(s), website administrator, and owner(s) assume no responsibility or liability. Users assume full, exclusive and complete responsibility for any use beyond reading, education, and entertainment. If you don't like this disclaimer, then complain to the government, because we are emulating the same approach as the IRS uses on their website. See:

Reasonable Belief About Income Tax Liability, Form #05.007; http://sedm.org/Forms/FormIndex.htm

The data in this document is the collaborative experience, contributions, and research of various websites, legal books, tax documents, researchers, associates, attorneys, CPA's, etc. and does not constitute legal advice. These materials have been prepared for educational and informational purposes and are intended for "nontaxpayers" who live outside the federal zone only. If you are a "taxpayer" or you live inside the federal zone, then instead please consult <a href="http://www.irs.gov">http://www.irs.gov</a> for educational materials.

This website and the materials on it were prepared for the use of the authors <u>only</u> by themselves. Any use of the terms "you" or "we recommend" or "you should" is directed at the <u>authors</u> and <u>not</u> other readers. The only exception to this rule is the Copyright/Software License Agreement above, which applies to everyone EXCEPT the authors or ministry. All the authors are doing by posting these materials is sharing with others the results of their research and the play book they developed <u>only</u> for use by themselves. For instance, the bottom of every page of the <u>Great IRS Hoax</u> book says: "TOP SECRET: For Treasury/IRS Internal Use ONLY (FOUO)". Then in the "Disclaimer" at the beginning of the book, it defines "Treasury" as the "Family Department of the Treasury". Consequently, how those materials impact or influence others is of no concern or consequence to the authors, and no motive may be attributed to any statements by the authors that would appear to be directed at third parties, because such statements are actually directed at themselves <u>only</u>. How readers use or apply the materials appearing here is entirely their choice and we assume no responsibility for how they act, or fail to act, based on the use of these materials. This approach is no different from that of the federal government, where the term "employee" in the Internal Revenue Code is made to "appear" like it applies to everyone, but in fact it only applies mandatorily to those engaged in a "public office" in the United States government.

This book constitutes an expression of free speech protected by the First Amendment to the U.S. Constitution. Every possible effort has been made to ensure that the information appearing here is truthful, accurate, complete, and consistent with prevailing law. However, you should not assume or presume that we agree wholly or partially with anything not specifically written by us. The materials on this site are not legal advice or legal opinions on any specific matters. Legal advice involves applying the law to your specific and unique situation, which is <u>your</u> responsibility and not our responsibility. Transmission of the information is not intended to create, and receipt does not constitute, a lawyer-client relationship between the author(s) and the reader. Readers should not act upon this information without seeking professional counsel, especially if they intend to litigate to protect their property rights. The opinions expressed in the document are those of the author(s), or the researcher(s) or content providers. You must validate this information yourself with your own research, legal education, experience, and the advice of a competent attorney and/or tax professional, if, of course there is such a thing! Readers should not act upon this information without first getting fully educated using the materials provided here and elsewhere. They are also advised to consult professionals in this area who are NOT attorneys, because we believe that all attorneys who are licensed by the government have a conflict of interest.

All representations made verbally or via postal mail or email or any means of advocacy by anyone connected with this website may NOT be relied upon to accurately describe the official policies of this website or its owner or its/his/their affiliates. The ONLY sources which may be relied upon to completely and accurately represent the policies of the owner of this website consist in the following, where lower numbered items take precedence over higher numbered items in the event

#### of a conflict:

- 1. The Holy Bible, New King James Version
- 2. <u>Declaration of Independence</u>
- 3. United States Constitution
- 4. Internal Revenue Code
- 5. Code of Federal Regulations
- 6. Sovereign Christian Marriage
- 7. Family Constitution
- 8. Great IRS Hoax, Form #11.302
- 9. Tax Fraud Prevention Manual, Form #06.008

Any representations that contradict the above shall be regarded as untrustworthy by the hearer. Also, any representations that make any promises about the success of any of the methods or information documented in this book or on this website shall be regarded as unauthorized and untrue. We assume no responsibility for the statements, writings, or promotional efforts of any third parties. We also refuse to be held to a higher standard of accountability than the IRS or the government itself. The IRS claims in section 4.10.7.2.8 of its own Internal Revenue Manual that you cannot rely on its publications, which include its tax preparation forms. The courts have also said that you cannot rely on the IRS' telephone support personnel or its Internal Revenue Manual. Therefore, we will not be held to a higher standard than the IRS for our publications, which include everything on this website, or for anything we say or write. We make all the same disclaimer statements about our publications, statements, and support as the IRS, in fact, which means we can have no liability for anything we produce. Click here for our article on this subject.

"Behold, the wicked brings forth iniquity;
Yes, he conceives trouble and brings forth falsehood [in their publications and their phone support],
He made a pit and dug it out,
And has fallen into the ditch [this disclaimer] which he made.
His trouble shall return upon his own head,
And his violent dealing shall come down on his own [deceitful] crown."
[Psalm 7:14-16, Bible, NKJV]

We do not advocate violence or terrorism or threats of any kind against anyone, and especially by our government against <u>its people</u>. All of the remedies we advocate to the problems our society faces as documented in this book and on our website focus on public education and outreach, nonviolent confrontation, and political and legal activism.

The reason why this disclaimer notice is required is not to undermine the accuracy or authority or integrity of this document, but primarily to prevent the possibility of the author(s) or any of the contributors, who are not necessarily lawyers, from being prosecuted for practicing law without a license from the socialist state (professional licenses are yet another government scam to maximize revenues, censorship, and government control over the population in violation of our rights). Who would want to prosecute us? How about the lawyers and management at the IRS, who probably don't want you or IRS employees understanding the law or knowing what is in this document and don't want you litigating on your own, because you complicate for them the process of **STEALING** your money through the IRS fraud, malfeasance, and breach of government fiduciary duty that is exhaustively exposed in this document.

#### 1. WARNING SIGNS THAT AN IRS/DOJ RAID IS IMMINENT

- Some of our readers have reported the following tell-tale signs that a raid may be imminent based on their own personal experience. If more than one of these signs exists, you ought to expect a raid within no more than about two weeks:
- 1. You get frequent phone calls from persons you do not know. You should have caller ID and not answer calls from anyone whose number or identity you don't recognize. Rather, force them to leave a message and pick it up if it is someone you want to talk to. If you make the mistake of picking up the phone, the callers may:
  - 1.1. Ask if you are there and then hang up if you admit who you are.
  - 1.2. Refuse to identify themselves when asked.

- 2. Persons are loitering outside your house or parked in a car near your house surveiling it. Frequently, they will be in suits and travel in pairs. They may have binoculars. When this happens:
  - 2.1. Sandwich them between two cars so they are stuck.
  - 2.2. Walk up to the agent and demand that they explain why they are there, what they are doing, and who sent them, and present their ID.
  - 2.3. If they do not cooperate, then don't allow their car to get free.
- 3. The postman may knock on your door with a certified letter from the IRS or DOJ. You should NEVER answer the door for any certified mails. If you do answer the door, the postman will probably look nervous and afraid, because someone from the DOJ or IRS talked to them before they delivered the letter, asking for confirmation that you are at that address so that they may proceed with the raid.
- 4. A GPS tracking device has been mounted usually to the undercarriage of your car, tracking your every movement. See, for instance: <a href="http://www.laipac.com/gps">http://www.laipac.com/gps</a> gpscube eng.htm
- 5. Your phone starts making funny noises or gets noisy. This is a sign that your line has been tapped. For countermeasures, see our article entitled "How To Check If Your Phone Is Tapped": http://famguardian.org/Subjects/PropertyPrivacy/Privacy/PhoneTapCheck.htm
- 6. Strangers come knocking on your door uninvited. Do not answer the door for anyone you do not recognize through the peephole. If they are from the government, they will usually come as a pair, just like Mormon missionaries. The church they work for, however, is the Church of Satan. See:
